

## Holstebro Gymnasium og HF

The artist Margrethe Odgaard is educated from The Royal Danish Academy of Fine Arts, School of Design in 2005. Margrethe Odgaard has among other things designed patterns and products for Hay, Ikea, Kähler and Georg Jensen. "It actually surprised me how many design possibilities there are with linoleum. The aquajet technology has made it possible to design, as you wish. And then, I think Forbo has a very beautiful color scheme. I'm normally quite picky with that," says Margrethe Odgaard."
