

Interiør Gruppens speciality is to create atmosphere inside hotels.
In a public environment, Desktop linoleum is the best choice. It preserves the colour and can be retouched if there are scratches. It's also nice to work on and reduces noise / Christian Skov, CEO, Interiør Gruppen.

Interior Designer	Interiør Gruppen A/S, Carsten Michaelsen, Chefdesigner
Architect	Kim Utzon Arkitekter A/S
General Contractor	ARP-Hansen A/S
