

Plac Zamkowy – Business with Heritage, Warsaw, Poland

Plac Zamkowy – Business with Heritage is a first class building designed for office and retail tenants, located at the heart of one of the most presentable sites in Warsaw. The investment is located at the 3-way-junction of Miodowa, Senatorska and Podwale Streets, approximately 100 metres from the major landmarks of the capital – Sigismund’s Column and the Royal Castle. The investment Plac Zamkowy – Business with Heritage has been reported and officially registered in the BREEAM ecological certification system (certificate no.: BREEAM-0048-7041) as early as at the design stage, and it was awarded the Breeam Interim certificate with a ‘very good’ grade.
