Notified Body No. 2812

Quality System (Module D) Certificate

ERO2812/MED0364QARev.1

This is to certify that:
Element Materials Technology Rotterdam B.V. (ERO) did undertake the relevant assessment procedures for the quality system of the manufacturer identified below which was found to be in compliance with the Fire protection requirements of Marine Equipment Directive (MED) 2014/90/EU of 23rd July 2014 for the products described in the EC Type Examination Certificates (Module B) listed in the Appendix to this Certificate, subject to any conditions in the schedule attached hereto.

Manufacturer	
Name	Forbo Flooring UK Limited
Address	High Holborn Road, Ripley, Derbyshire, DE5 3NT, UK
Authorised Representative	
Name	Forbo Flooring Coral N.V.
Address	Vlietsend 20A, Krommenie, The Netherlands

The quality system has been assessed with respect to the procedure of conformity assessment described in Annex II, Module D in the directive 2214/90/EU and regulation 2025/1533/EU of 23rd July 2025

Product Description	Flocked flooring tested adhered to a 3mm thick mild steel substrate utilizing "Eurocol 640 Eurostar Special" adhesive
Product Type	Item Number MED/3.18c: Surface materials and floor coverings with low flame-spread characteristics – floor coverings
Product Reference.	"Flotex FR"

This certificate remains valid unless suspended, expired or withdrawn.

Pascal Coget
General Manager – European Certification

Date of Issue/Re-issue: **08/10/2025**
Expiry date: **06/10/2030**
ERO project reference **034621 P2746**

Notes:

- The manufacturer is allowed to affix the U.S. Coast Guard approval number as stated in the appendix attached hereto and as allowed by the "Agreement between the European Community and the United States of America on Mutual Recognition of Certificates of Conformity for Marine Equipment" signed February 27th, 2004 and amended by Decision No.1/2008 dated February 18th, 2019.
- This certificate provides the basis for the manufacturer or (if applicable) his authorised representative established within the European Union in conjunction with the EC Type-Examination Certificate (Module B) of the equipment listed in the scope to affix the "Mark of Conformity" (wheelmark) to the product described herein.
- This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with, the notified body named on this certificate.
- This certificate is not valid for equipment, the design or manufacture of which, has been varied or modified from the specimens tested.
- The manufacturer has to apply for annual audits to verify the maintenance and application of the quality system.

Example for the application of the "Mark of Conformity":

2812/yyyy — 2812: number of the Notified Body responsible for the quality surveillance module
yyyy: The year in which the mark is affixed
