

Flotex® planks

Flotex® colour planks (except AcousticPlus)

FLOORING SYSTEMS

Product information

Flocked textile floor covering - planks format

An electrostatically Flocked carpet manufactured from 100% nylon 6.6 pile with a Resilient Waterproof backing.

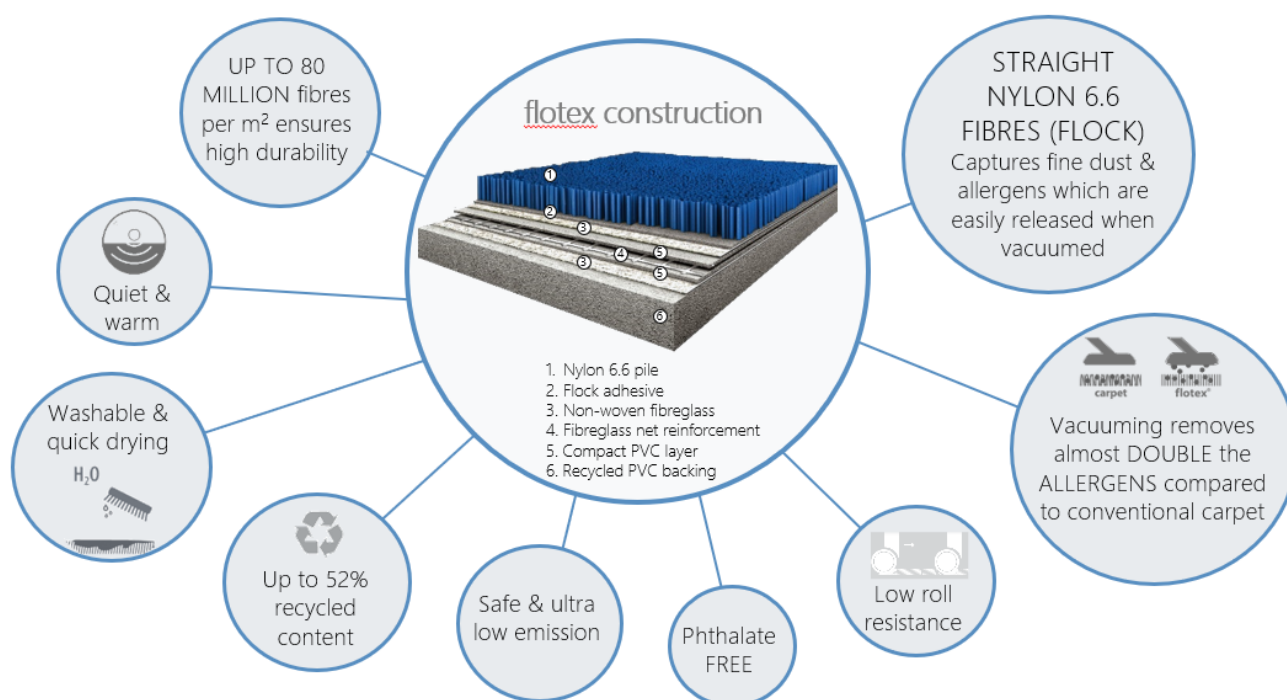

Supply and installation of a flocked textile floor covering, conventionally / digitally printed and shortpile finish, available in planks format (25 x 100 cm), classification 23 / 33.

It shall provide an impact sound reduction of $\Delta L_w = 19$ dB.

Made up of approximately 80 millions polyamide fibres 6.6 per m² planted by electrostatic flocking in a PVC underlay, it shall be naturally anti-microbial, fungistatic and bacteriostatic performance inherent to the product's structure.

Due to its structure, the product should be 100% impervious, 100% rotproof, water-washable and resistant to staining agents and detergents.

The product has a 10-year warranty (+ 6 years with installation of Forbo's Coral or Nuway entrance mats).

Technical specifications

| | |
|------------------------|--------------------------------------------|
| Commercial name | Flotex planks/ Flotex colour planks |
| Total thickness | 5 mm |
| Total weight | 4 800 g/m² |
| Impact sound reduction | $\Delta L_w = 19$ dB |
| Sound absorption | $\alpha_w = 0,10$ (H) |
| Reaction to fire | Bfl-s1 - n°312666 (Warrington) |
| European class EN 1307 | 23 - 33 |

Environmental datasheet

- EPD is available on Forbo's website
- TVOC emission rate Flotex colour tiles < 30 µg/m³ class A+ (best class in health safety labelling)
- Free from all restricted substances (formaldehyde, pentachlorophenol, heavy metals, CMR 1A and 1B); compliant with European REACH regulation
- Designed and manufactured using guaranteed 100% renewable electricity
- Only BAF-certified textile covering (British Allergy Foundation)
- LRV values available on request
