

Flotex® designers collections (sheet)

FLOORING SYSTEMS

Product information

Flocked textile floor covering - sheet format

An electrostatically Flocked carpet manufactured from 100% nylon 6.6 pile with a Resilient Waterproof backing.

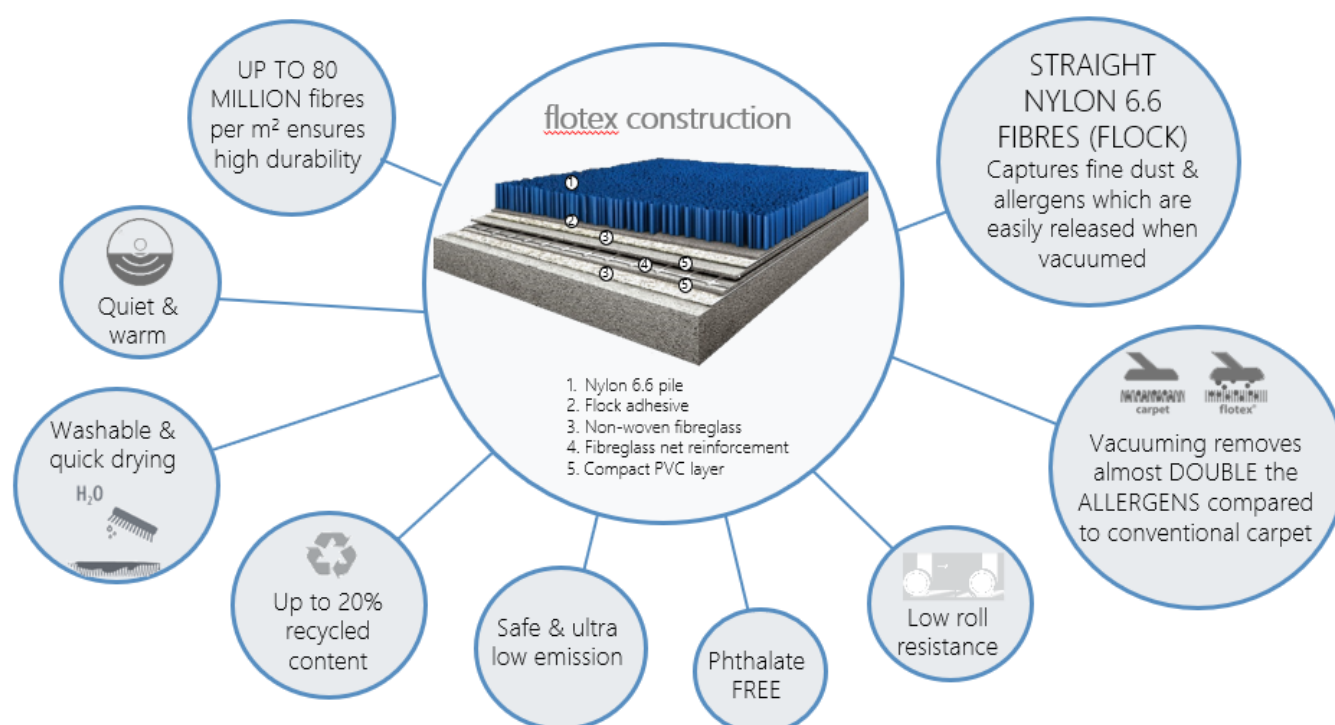

Supply and installation of a flocked textile floor covering, digitally printed and shortpile finish, in 2 m wide rolls, classification 23 / 33 such as Flotex designers collections.

It shall provide an impact sound reduction of $\Delta L_w = 21$ dB.

Made up of approximately 80 millions polyamide fibres 6.6 per m^2 planted by electrostatic flocking in a PVC underlay, it shall be naturally anti-microbial, fungistatic and bacteriostatic performance inherent to the product's structure.

Due to its structure, the product should be 100% impervious, 100% rotproof, water-washable and resistant to staining agents and detergents.

The product has a 10-year warranty (+ 6 years with installation of Forbo's Coral or Nuway entrance mats).

Technical specifications

Commercial name	Flotex designers collections
Total thickness	4,3 mm
Total weight	1 815 g/m²
Impact sound reduction	$\Delta L_w = 21$ dB
Sound absorption	$\alpha_w = 0,10$ (H)
Reaction to fire	Bfl-s1 - n°RA19-0227 CSTB)
European class EN 1307	23 - 33

Environmental datasheet

- EPD is available on Forbo's website
- TVOC emission rate < 100 $\mu g/m^3$, class A+ (best class in health safety labelling)
- Free from all restricted substances (formaldehyde, pentachlorophenol, heavy metals, CMR 1A and 1B); compliant with European REACH regulation
- Designed and manufactured using guaranteed 100% renewable electricity
- Only BAF-certified textile covering (British Allergy Foundation)
- LRV values available on request
