

Product information

LVT Luxury Vinyl Tiles - dryback

Fully adhered LVT 100 % made in Europe and phthalate free.

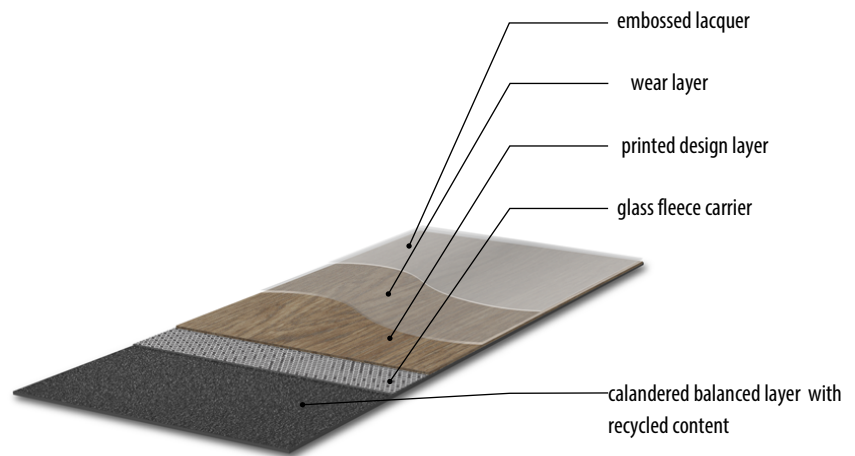

With glued installation and high quality dimensionally stable tiles and planks, the floor covering is available in a range of natural wood designs and a selection of concretes and modern stones designs.

This compact printed PVC floor covering has a 2,5 mm total thickness including a 0,63 mm thick calendered wear layer. It is available in a large variety of colour, size, shape and design.

The floor covering will offer a residual indentation of 0.04 mm, a dimensional stability $\leq 0.05\%$ and a slip resistance R10.

The PUR wear layer facilitates maintenance and avoid any surface metallisation or maintenance by spray method throughout the product's lifetime.

The product has a 7-year warranty (+ 6 years with installation of Forbo's Coral or Nuway entrance mats).

Technical specifications

Commercial name	Allura 0.55
Total thickness	2,5 mm
Wearlayer	0,63 mm
Total weight	3 400 g/m²
Impact sound reduction	$\Delta L_w = 5\text{dB}$
Residual indentation	$\leq 0,04\text{ mm}$
Reaction to fire	B_{f1-s1} - 89205102.01br (TÜV Rheinland)
Commercial /light industrial use	33 - 42

Environmental datasheet

- EPD is available in Forbo's website
- Phthalate free
- TVOC emission rate $< 10\ \mu\text{g}/\text{m}^3$, class A+ (best class in health safety labelling)
- Made from 50 % of natural raw material and up to 51 % of recycled content in the backing.
- Free from all restricted substances (formaldehyde, pentachlorophenol, heavy metals, CMR 1A and 1B); compliant with European REACH regulation
- 100 % recyclable
