

100 % adhesive free

## Product information

### LVT Luxury Vinyl Tiles - adhesive free puzzle-shaped tiles

Completely adhesive free puzzle-shaped LVT 100 % made in Europe and phthalate free.

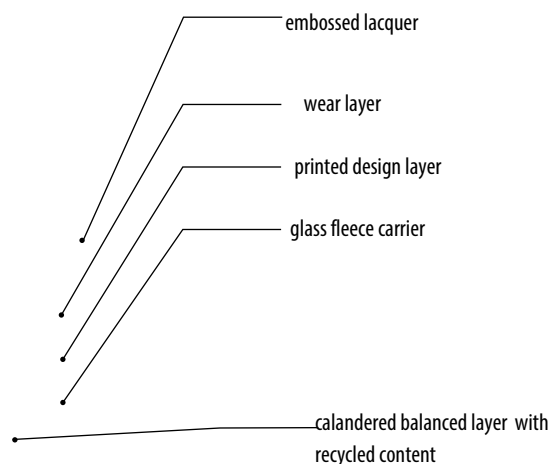

With high quality dimensionally stable tiles, the floor covering is available in a range of natural wood designs and a selection of concretes and modern stones designs. It comes in a unique puzzle-shaped 96 x 96 cm size. These tiles are designed specially for adhesive free installation.

This compact printed PVC floor covering has a 5 mm total thickness including a 0,70 mm thick calendared wear layer. It is perfect for adhesive free installation in busy traffic areas of up to 500 m<sup>2</sup> without transition.

The floor covering will offer a residual indentation of 0.05 mm, a dimensional stability  $\leq 0.05\%$  and a slip resistance R10.

The PUR wear layer facilitates maintenance and avoid any surface metallisation or maintenance by spray method throughout the product's lifetime.

The product has a 7-year warranty (+ 6 years with installation of Forbo's Coral or Nuway entrance mats).

## Technical specifications

Commercial name	<b>Allura ease</b>
Total thickness	<b>5 mm</b>
Wearlayer	<b>0,70 mm</b>
Total weight	<b>7 900 g/m<sup>2</sup></b>
Impact sound reduction	<b><math>\Delta L_w = 7</math> dB</b>
Residual indentation	<b><math>\leq 0,05</math> mm</b>
Reaction to fire	<b>B<sub>f1-s1</sub> - 89215785.03br (TÜV Rheinland)</b>
Commercial use	<b>34</b>

## Environmental datasheet

- EPD is available in Forbo's website
- Phthalate free
- TVOC emission rate < 20,  $\mu\text{g}/\text{m}^3$ , class A+ (best class in health safety labelling)
- Made from 50 % of natural raw material and 100 % recyclable
- Free from all restricted substances (formaldehyde, pentachlorophenol, heavy metals, CMR 1A and 1B); compliant with European REACH regulation
