

marmoleum® modular

VERSATILE • SUSTAINABLE • MODULAR

creating better environments

Forbo
FLOORING SYSTEMS

marmoleum® modular colour

Create a statement floor with a mix of bold colours or use as a solid base with a mixed palette.

marmoleum® modular shade

Eight grey tones, together with a real black and linoleum white, give a subtle nuance in colour.

marmoleum® modular marble

Traditional and contemporary marbled designs offering a natural and realistic stone effect – in a new format.

marmoleum® modular lines

Marmoleum in both tile and plank formats giving the impression of wood in colours from cool grey through warm browns to light blonde.

Pre-designed flooring using our grids can be ordered directly, please contact your local customer service department for more information.

DESIGN YOUR FLOOR ONLINE

MARMOLEUM MODULAR OFFERS YOU A LARGE CHOICE OF SHAPE, SIZE AND COLOUR OF TILES.

The modular format lends itself to playing with colours and patterns so we have launched an online tool that allows you to create draft designs using a grid template as your base.

Simply drop the product(s) of your choice into the online grid templates to see how your design transforms into a real floor.

The Forbo website offers you plenty of opportunities to design great looking floors using any of our products. Just visit www.forbo-flooring.co.uk/marmoleummodular or scan the QR code.
