

**MF Click skirting:**

MDF Click skirting is covering the expansion gap between the wall and the panels of Marmoleum Click. It can also be used as a decorative element. It is an MDF skirting with a surface of original Marmoleum in all existing Marmoleum Click colours. The skirting is easy to saw and can be fixed with either glue or screws.

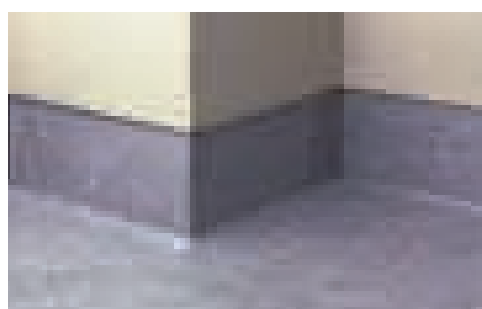

- Length : 2,40 m
- Number per carton box : 4
- Colours : 21 (all colours of the current Marmoleum Click)
- Special colours : Not available on stock

**Marmoform S skirtings**

Pre-formed Marmoleum/ Artoleum skirtings add the finishing touch to the floor. When the skirting is welded to the linoleum floor, it ensures a hygienic, watertight floor. The top edge may be covered for hygiene or aesthetic purposes, using WA edging strip.

- Length : 2,40 m
- Standard dimensions : 50 mm foot x 100 mm high, others on request
- Order multiples for standard dimensions : for 2,0 mm: per 13 lengths,  
for 2,5 mm: per 1 length,  
for 3,2 mm: per 13 lengths.
- Colours : All colours from stock in real and fresco range; others on request.

**Marmoform S Corners**

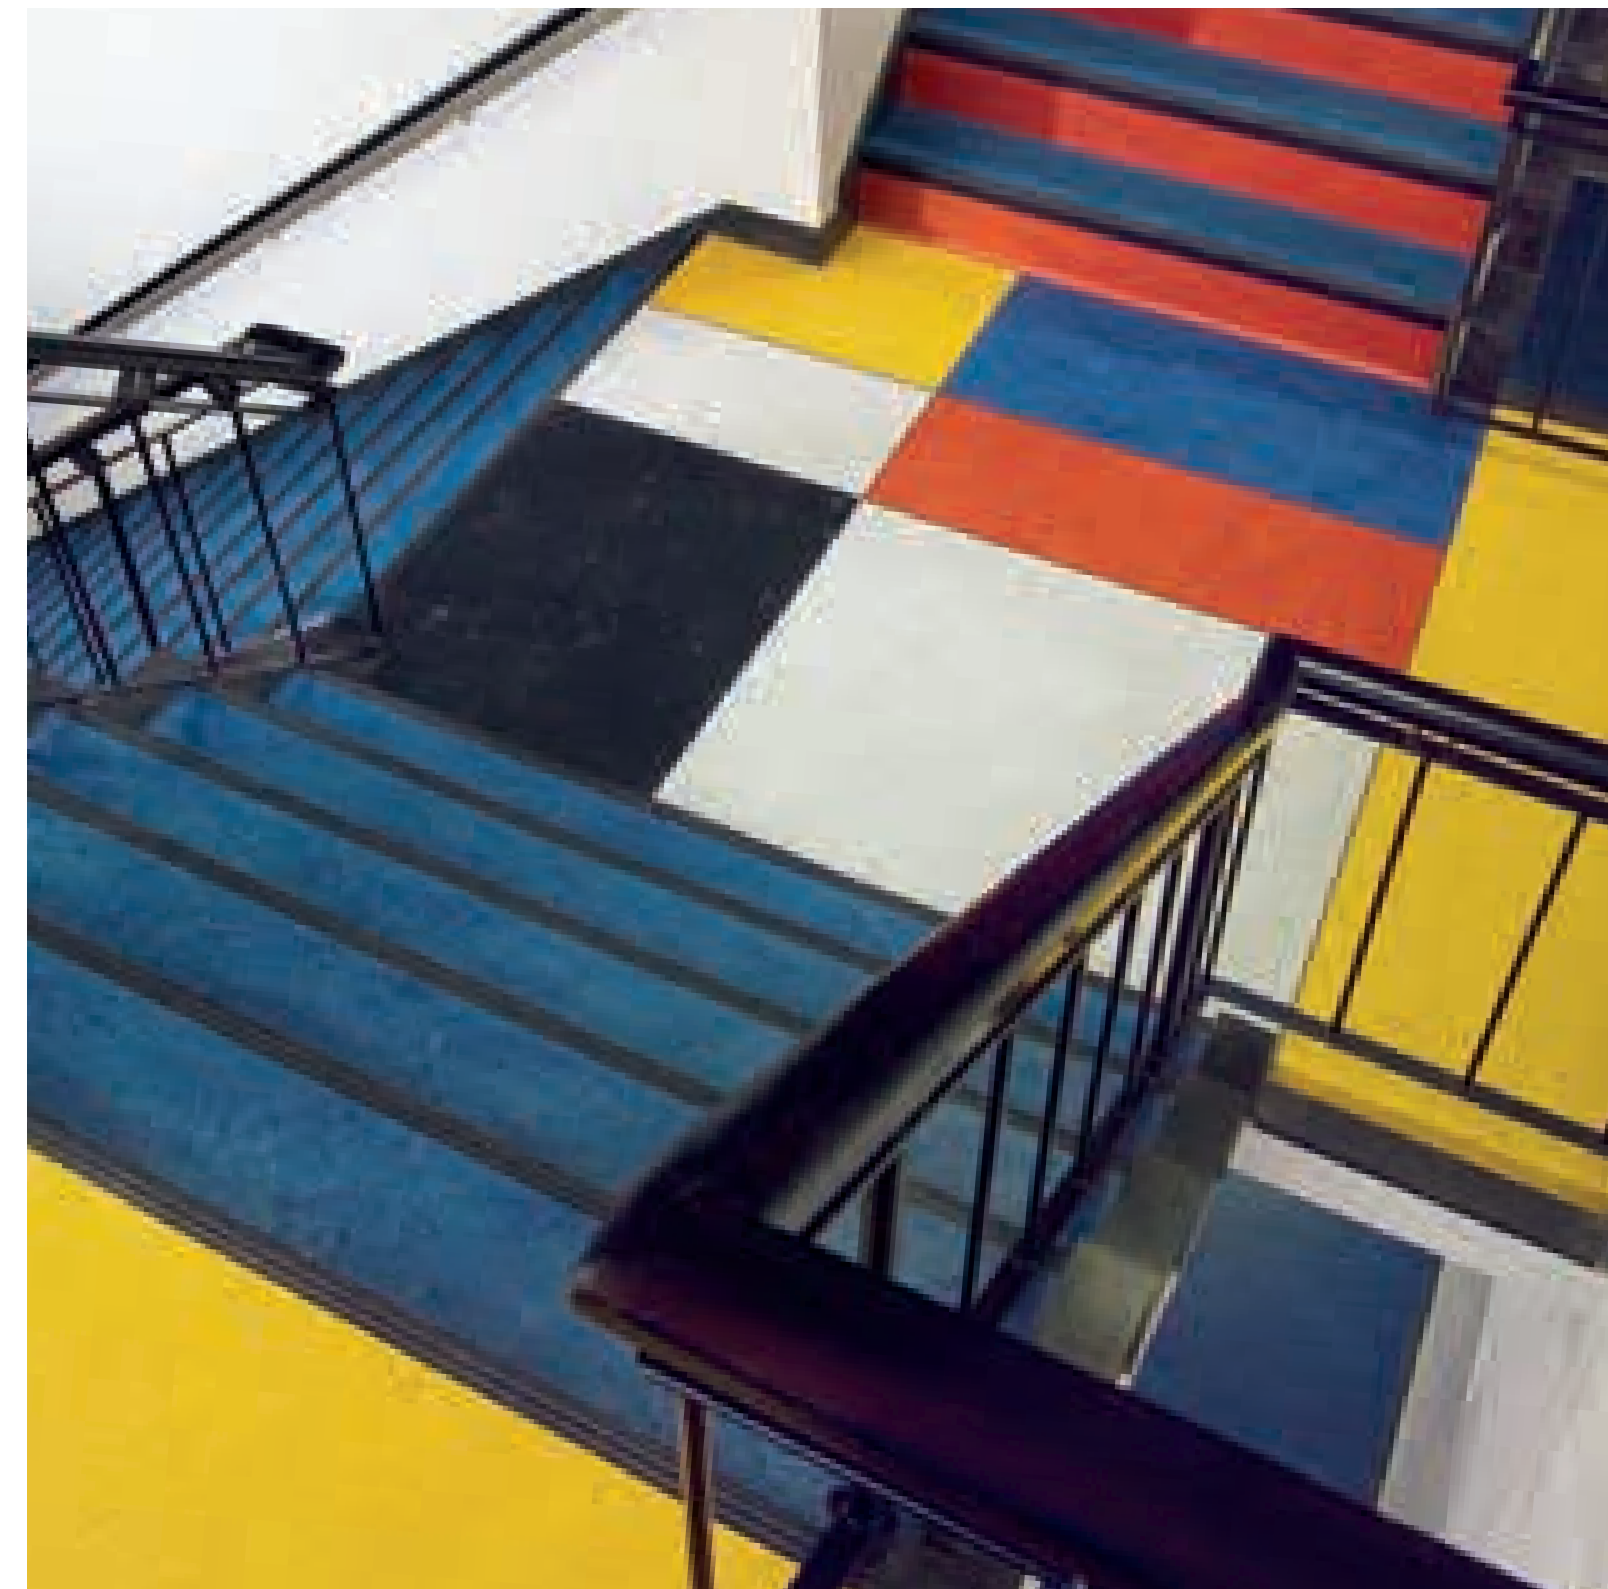

Inner- and outer corners for the Marmoform S skirtings can be produced on request. These have the same heights and width as the S skirtings ordered.

- Length on the wall : 2x ca. 140 mm (Inner corner)  
2x ca. 100 mm (Outer corner)
- Order quantities for standard dimensions (all thicknesses) : per 7 pieces
- Colours : all Marmoleum and Artoleum

# Finishing accessories

67292/280108

creating better environments

creating better environments

A perfect flooring installation can be achieved with the help of professional accessories, which complement the finish of the floor. To give a floor this finishing touch, Forbo offer a collection of high quality skirtings, profiles, stairnosings and accessories.

## Skirtings

The skirtings collection is designed to provide both a functional and an attractive junction between the floor and the wall. A variety of colours and materials allows creation of many practical and aesthetical designs.

## Profiles and accessories

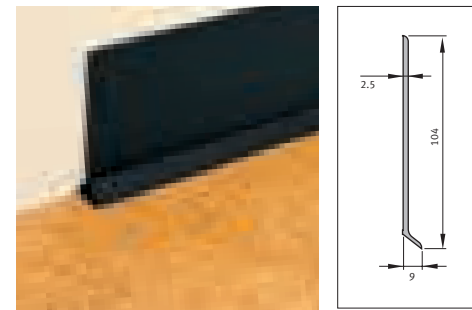

The profiles collection provides a safe and functional transition between different floor coverings. These profiles are available in an attractive palette of colours, matching the popular colours of the Forbo flooring collection. Practical accessories will provide a professional finish.

## Stairnosings

The stairnosings provide a safe and secure step. They prolong the life of the floor covering and can be used as a visible and attractive design feature.

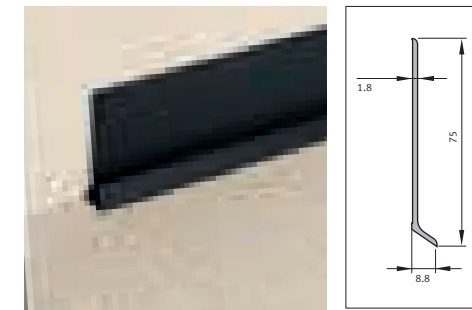

### Recommended adhesives

Flexible profiles and skirtings: 650 Eurostar Fastcol.
