

Safety Data Sheet

In accordance with EC Directive 1907/2006/EC

Revision No.: 6 Revision date: 15-1-2013

Page 1/3

1. Identification of the product and company

Trade name : DeskTop

Application of the product : Furniture surface

: Forbo Flooring B.V. Industrieweg 12

1566 JP Assendelft - The Netherlands

Telephone: +31 756 477 477

2. Hazards identification

Manufacturer/supplier

Hazard description : No particular hazard for persons and the environment known

3. Composition/information on ingredients

Description: Furniture surface based on a binder composed of vegetable drying oil

and resin, mixed with wood flour and limestone, pressed on a paper

backing

Hazardous ingredients : None

4. First-aid measures

After inhalation: Not applicableAfter skin contact: Not applicableAfter eye contact: Not applicableAfter swallowing: Not applicable

5. Fire-fighting measures

Suitable extinguishing media : Water, foam, carbon dioxide, dry powder

Special hazards from the product itself, its products of combustion

or resulting gases : Hazardous combustion product: Carbon Monoxide

Protective equipment : Use self-contained breathing apparatus

6. Accidental release measures

Person-related safety precautions: Not applicable

Measures for environmental

protection : Not applicable

Measures for cleaning/collecting: Not applicable

Safety Data Sheet

In accordance with EC Directive 1907/2006/EC

Revision No.: 6 Revision date: 15-1-2013

7. Handling and storage

Information for safe handlingInformation about storageNo specific measure required

8. Exposure controls/personal protection

Ingredients with occupational

exposure limits to be monitored : Not applicable

General protective and hygienic

measures : No specific measures required

Respiratory protection: Not applicableHand protection: Not applicableEye protection: Not applicableSkin protection: Not applicable

9. Physical and chemical properties

Physical state : Solid flexible floor covering

Form : Sheet

Colour : Various colours and patterns
Odour : Weak "linseed oil" odour

Melting point: Not applicableFlash point: Not applicableDanger of explosion: Not applicable

Density : 1000 – 1100 kg/m³

Solubility : Insoluble in water or conventional solvents

10. Stability and reactivity

Thermal decomposition: No decomposition up to approx. 450 $^{\circ}$ C

Hazardous reactions : No hazardous reactions

Dangerous decomposition

products : No dangerous decomposition products

11. Toxicological information

General information: No harmful effects have been reported to date

Safety Data Sheet In accordance with EC Directive 1907/2006/EC

Revision No.: 6 Revision date: 15-1-2013

Page 3/3

12. Ecological information

Information about elimination : Product is biodegradable and can be composted.

Other information Insoluble in water

13. Disposal considerations

Product Incineration with energy recovery is the preferred disposal method.

Land filling in a permitted facility is an alternative. All applicable local

and national legislation should be consulted before disposal.

Packaging should be subjected to waste management schemes (recovery recycling) in accordance local and national legislation

14. Transport information

Packaging

ADR Not restricted **ADNR** Not restricted RID Not restricted **IATA** Not restricted **IMDG** Not restricted

15. Regulatory information

Labelling in accordance with EC-The product does not require a hazard warning label in accordance with

directives EC directives or relevant national laws

16. Other information

Department issuing MSDS : **Quality Assurance**
