TEXTILE FLOCKED FLOORING

flotex® hospitality & leisure

 30 x 2 m

creating better environments

FLOTEX HOSPITALITY & LEISURE

At Forbo we are passionate about our customers and meeting their expectations. We understand the needs and individual requirements of each segment. This is why we have developed the Flotex Vision Hospitality and Leisure collection especially for you.

Whether in hotels, leisure areas or restaurants, you need a high performance floor covering that provides comfort and safety while giving pride of place to design. And in these spaces in particular, who wouldn't dream of a strikingly designed floor that's easy to live with?

Thanks to our high-definition printing technology, we can offer you a wide selection of designs that will suit every area. Whether a trendy hotel in the heart of the city, a cosy establishment in the mountains, or a charming traditional restaurant, each application will find the design that tells its story.

Aware of the challenges of the hospitality and leisure sector, where you often only have one chance to make a good first impression, we have created unique designs, which can be coordinated and are available in various sizes. We even have some especially created for corridors.

Choosing Flotex and its unique construction is the promise of a design textile floor covering that will keep its original appearance over time. It is the assurance that your visitors will be welcomed in the environment you dreamed of.

pattern area shown is:
152.6 cm x 152.6 cm (large sample)
70 cm x 70 cm (small sample)

Using European (EN) approved testing methodology we have graded every item in the collection on its ability to 'hide' dirt or staining that occurs during normal use depending on the application.

○ = superior appearance rating

◐ = good appearance rating

● = moderate appearance rating

FLOTEX, THE HIGH TECH TEXTILE FLOORING

Flotex is different from other textile floor coverings due to its unique construction. By combining a high density flocked surface with a heavy duty resilient foundation Flotex offers the best of both worlds.

DURABLE & COMFORTABLE

Discover the toughness and durability of Flotex which comes as a result of up to 80 million nylon 6.6 fibres per square metre. Additionally these fibres offer the experience of quietness and comfort normally only associated with carpet. Flotex offers an excellent slip resistance and is water-washable. Flotex has a low roll resistance so it is easy to use in Hospitality and Leisure. Its durable construction means the fibres will return to their original position and the floor remains as new.

Flotex is guaranteed for 10 years and can also benefit from a guarantee extension of 2 years if it is installed in conjunction with Forbo Entrance Systems.

QUIET & IMPROVED INDOOR AIR QUALITY

The surface pile does not only perform in acoustics (21dB impact sound reduction) and underfoot comfort, it also captures fine dust and allergens from the air, retaining them until cleaning where they are then effortlessly released with regular vacuuming. This helps to improve indoor air quality, creating better environments for your visitors.

HYGIENIC

30% MORE SOIL REMOVAL THAN CARPET

Source: Comparison of cleanability of Flotex against other carpet constructions; Cleaning Research International 07/2013.

FLOTEX
The 80 million straight nylon fibres that are electrostatically flocked into the backing capture fine dust and allergens. The unique structure ensures these can be released when vacuumed. That is why Flotex is the only textile flooring with a British Allergy Foundation approval.

CARPET
Loop pile carpet or loose nylon cut pile fibres retain fine dust and allergens, however, they're not easily released due to the complex nature of the surface pile, resulting in bacterial growth and an unhygienic floor.

Technical specifications

Flotex sheet meets the requirements of EN 1307

			Flotex vision sheet
	Total thickness	ISO 1765	4.3 mm
	Total weight	ISO 8543	1800g/m²
	Commercial use	EN ISO 10874	Class 33
	Pile composition		100% polyamide 6,6
	Sheet roll width		2.0 m
	Sheet roll length		± 30 m
	Dimension stability	ISO 2551	≤ 0.2 %
	Slip resistance	UK SRG pendulum	Dry - very low slip risk Wet - low slip risk
	Acoustical impact noise reduction	EN-ISO 717-2	$\Delta L_w \geq 21$ dB
	Acoustical sound absorption	ISO 354	$\alpha_w = 0{,}10$ (H)
	Castor chair continuous use	ISO 4918	$r \geq 2.4$
	Colour fastness to light	EN ISO 105-B02	≥ 5
	Indoor air emissions: TVOC after 28 days	EN 16516	≤ 0,1 mg/ m³
	Abrasion resistance	EN 1307 annex F	> 1000 cycles
	Water impermeability	EN 1307 annex G	Pass
	Creating better Environments		
	Renewable electricity		Flotex is manufactured using 100% electricity made from renewable sources.
	Recycled content		Flotex sheet contains up to 20% recycled content by weight.
	Indoor air quality		Flotex is approved by Allergy UK. All Flotex products are tested for indoor air emissions in accordance with EN16516 after 3 days and 28 days. Flotex sheet has ultra low emissions.
	LCA		Life Cycle Assessment is the foundation for securing the lowest environmental impact
	Flotex meets the requirements of EN 14041		EN 14041 CE 1200301-DoP-107
	Reaction to fire	EN 13501-1	B_{fl}-s1, L, CS
	Slip resistance	EN 13893	$\mu \geq 0.30$
	Thermal conductivity	EN 12524	0.06 W/mK
	Body voltage	ISO 6356	≤ 2.0 kV

Our recommended adhesive for our collection for Flotex Sheet is 640 Eurostar Special. Please contact customer services for more information.
All Forbo Flooring Systems' sales organisations worldwide have a certified Quality Management System in accordance with ISO 9001.
All Forbo Flooring Systems' manufacturing operations have a certified Environmental Management System in accordance with ISO 14001.
The Life Cycle Assessment (LCA) of Forbo Flooring Systems' products is documented in individual Environmental Product Declarations (EPD's) which can be found on all of our websites.
