

Forbo Environmental Data Sheet

| Product name | Marmoleum Ohmex | | | |
|------------------------|--|--|--|--|
| Product description | Marmoleum Ohmex is linoleum that meets higher requirements for electrical conductivity. Electrical resistance is improved to $< 1-10^8 \Omega$ (EN1081), ensuring personal safety and protecting equipment that is sensitive to static electricity. | | | |
| Manufacturing location | Kirkcaldy, United Kingdom Assendelft, Netherlands | | | |
| Site accreditation | ISO14001, ISO 9001, OHSAS 18001, SA8000° | | | |

Our footprint - how it's made

| Environmental data | | Independent assessment and rating | | | |
|---|------|---|--|--|--|
| Total recycled content of product by weight | 43%* | Nordic Swan | | | |
| | | Allergy UK Seal of Approval | | | |
| Post industrial recycled content | 43%* | ISO 9001 Quality Management System | | | |
| Post consumer recycled content | 0% | ISO 14001 Environmental Management System | | | |
| % renewable electricity used | 100% | ISO 45001 Occupational Health and Safety Management | | | |
| *based on 2.5mm Marmoleum sheet | | Marmoleum is manufactured in a SA8000® certified facility | | | |

Your footsteps – how it performs

| Health and well being | | | |
|---------------------------|--|--|--|
| AgBB/DiBT | Pass | | |
| CHPS 01350 | Marmoleum products comply to 01350 indoor air quality standard | | |
| Air quality | Approved by Allergy UK | | |
| Impact sound reduction | ≤ 5dB | | |
| Bacteriostatic properties | Marmoleum has independent tests to prove that it inhibits bacteria such as MRSA, C Difficile, Norovirus, Acinetobacter baumannii | | |
| Installation | | | |
| Recommended adhesives | Forbo recommends the use of 615 Eurostar lino plus. Very low emission conductive adhesive. | | |
| | Installation off-cuts of Marmoleum can be collected via our Back to the Floor scheme and recycled back into Marmoleum at our plant in Scotland. | | |

creating better environments

| Topshield2 Unique dual layer finish. Resistant to staining and scuffing so reducing the amount of cleaning required. Can be completely rennovated, unlike PUR finishes. End of life Marmoleum can be recycled or used in waste to energy application.
