FLOORING SYSTEMS

PRIMARY BARRIER MATTING SOLUTIONS

MAKE AN ENTRANCE **WITH NUWAY**

Nuway primary barrier mats are Forbo's most robust entrance flooring solution, with products suitable for environments that welcome up to 100,000 visitors per day.

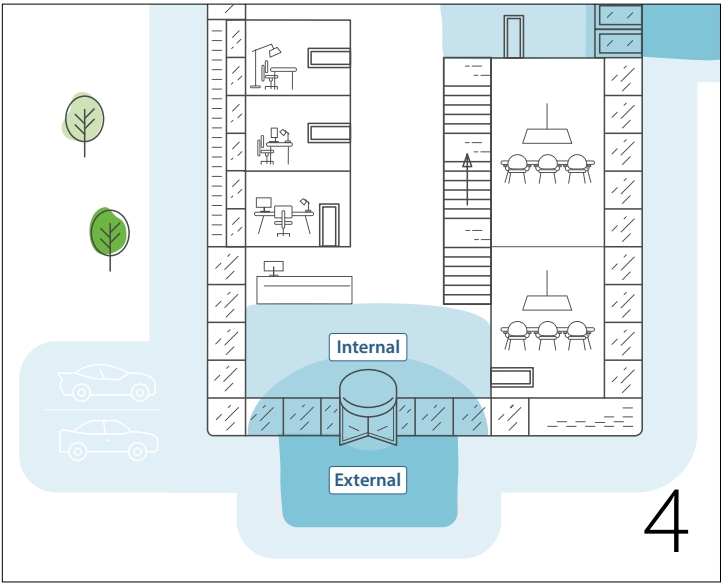

With products suitable for external and internal entrances, heavy load environments and also a sustainable Bamboo option, we have a solution for every entrance requirement.

NUWAY COLLECTION AT A GLANCE

Choose the right Nuway Primary Barrier Matting for your building

To help identify which of our Nuway products is most suitable for your project, we have broken down our full collection into an easy, two page guide.

Nuway Internal Products

There are 6 different Nuway products suitable for internal application, each offering their own unique benefits.

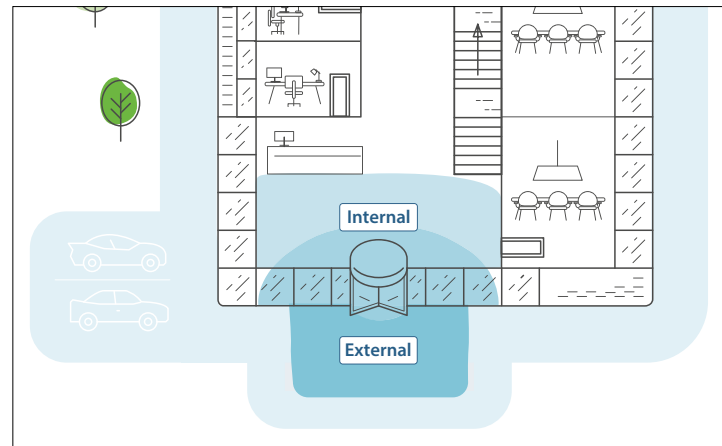

Nuway External Products

With 4 different Nuway products suitable for external application, there is sure to be a solution for your entrance requirements.

CHOOSE THE RIGHT **NUWAY PRIMARY BARRIER MATTING** FOR YOUR BUILDING

This guide helps to give you an understanding of the differences between our Nuway products and where they can be used.

- **Suitable for:** Office, retail, healthcare and education environments or smaller entrances

NUWAY INTERNAL PRIMARY BARRIER MATTING SOLUTIONS

Nuway Tuftiguard internal

NUWAY INTERNAL COLLECTION AT A GLANCE

nuway® tuftiguard

Tuftiguard combines a classic aesthetic with leading performance by offering anodised aluminium scraper bars.

nuway® tuftiguard anodised colours

Our collection of anodised coloured aluminium scraper bars allows for unique designs to be created.

nuway® tuftiguard bamboo

Tuftiguard Bamboo provides the same leading performance attributes as Tuftiguard, yet with much more sustainable credentials.

nuway® tuftiguard heavy duty

The ideal matting solution for entrances with heavy duty loads and intense pedestrian and/or wheeled traffic.

nuway® grid

Nuway Grid offers a contemporary and cost effective alternative to Nuway Tuftiguard.

nuway® connect

Nuway Connect is a very versatile, roll-up, single sided entrance system that's easy to shape on site which makes it ideal for smaller, more awkward sized entrances.

	Double Sided	Scraper bar options	Number of inserts available
			3

The market leading primary barrier mat for over 40 years.

- Tuftiguard combines a **classic aesthetic with leading performance by offering** anodised aluminium scraper bars
 - Tuftiguard mats can sit in a matwell or can be used with ramp systems
 - High tensile steel linkages give Nuway Tuftiguard **construction integrity**
 - **Suitable for busy office, retail, healthcare or education environments**
- Tuftiguard is double sided and available in **open or closed construction** to suit the location of the mat and preferred cleaning regime
 - Tuftiguard is available with **single wiper strips** or **double wiper strips** where extra moisture absorption is required or where the entrance is less than 3 metres deep
 - Tuftiguard is available in a choice of depths to match most matwells

CONSIDERATIONS

As with all aluminium matting systems of this type, in very brightly lit or illuminated areas, the strong contrast between light coloured aluminium scraper bars and dark wiper strips can sometimes create a strong visual contrast (and in extreme situations, a strobe effect) which should be prevented. To avoid disorientating pedestrians affected by this type of visual disturbance, consider using Bamboo or coloured anodised scraper bars with a less contrasting wiper strip.

NUWAY TUFTIGUARD IS AVAILABLE IN THE FOLLOWING CONSTRUCTIONS:

- Open construction:**
- ✓ Ideal for entrances which are susceptible to increased moisture
 - ✓ Dirt and moisture will fall through to the matwell below and the mat can be removed for cleaning of both the mat and matwell intermittently

- Closed construction:**
- ✓ Ideal for internal applications
 - ✓ Dirt and moisture will remain on the mat ready to be removed through regular cleaning
 - ✓ This is the most common construction for Nuway entrance mats

Nuway Tuftiguard is only available with an aluminium scraper bar and the following inserts:

Classic – Buffed Grey

Design – Charcoal

Plain rubber

PLEASE NOTE: Depending on your preference, Nuway Tuftiguard is available with single or double wiper strip inserts. This can be specified when placing your order.

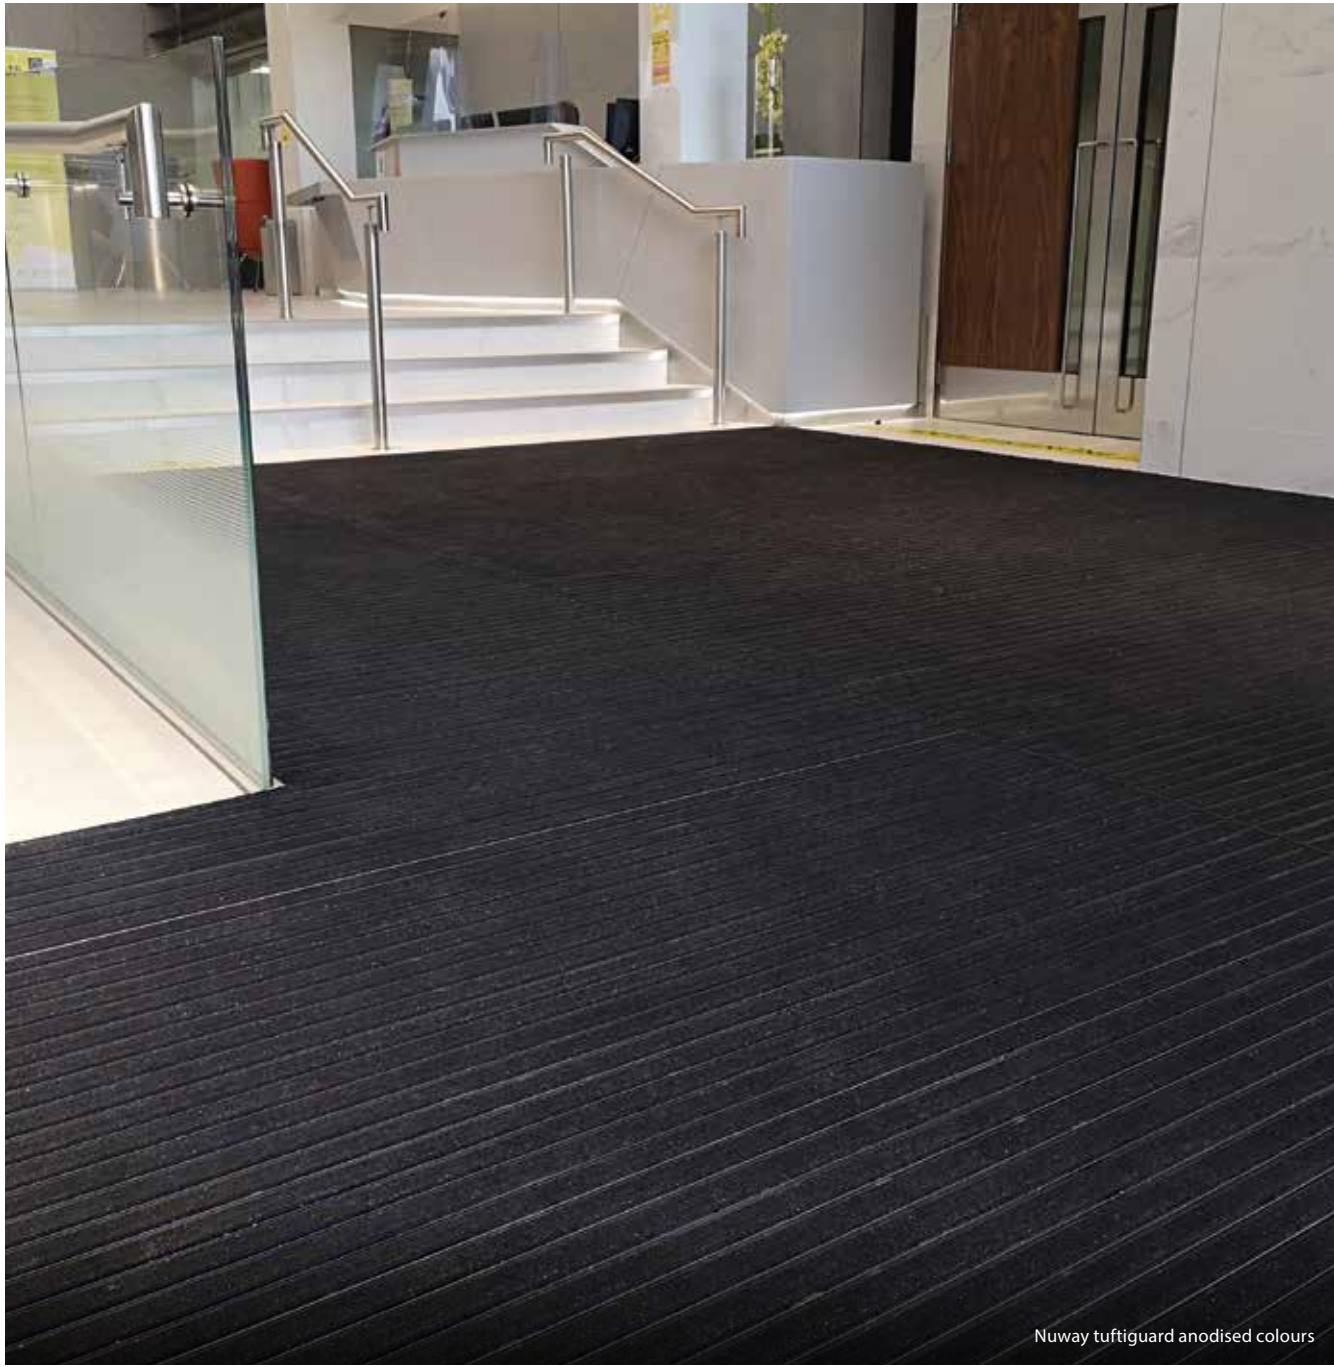

Nuway Tuftiguard product specification

Where design meets quality.

- Our collection of anodised coloured aluminium scraper bars allows for **unique designs** to be created
- Available in **black, gold, bronze** and **sand** anodised
- After selecting the desired colour of scraper bar, you then have the following choice of inserts: 1 classic grey, 1 design colour and 1 plain rubber
- **Suitable for busy office, retail, healthcare or education environments**
- Tuftiguard anodised colours are double sided and available in **open or closed construction** to suit the location of the mat and preferred cleaning regime
- Where extra moisture absorption is required or for smaller entrances which require ultimate performance, double wiper strips can be specified
- Tuftiguard anodised colours are available in 12mm or 17mm depths

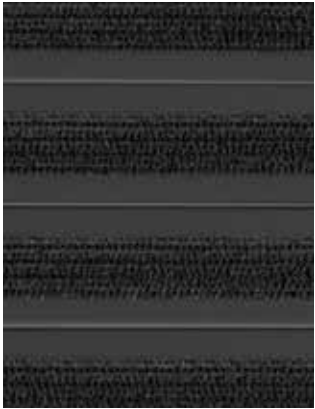

Nuway tuftiguard anodised colours

NUWAY TUFTIGUARD ANODISED COLOURS
IS AVAILABLE IN THE FOLLOWING CONSTRUCTIONS:

- Open construction:**
- ✓ Ideal for entrances which are susceptible to increased moisture
 - ✓ Dirt and moisture will fall through to the matwell below and the mat can be removed for cleaning of both the mat and matwell intermittently

- Closed construction:**
- ✓ Ideal for internal applications
 - ✓ Dirt and moisture will remain on the mat ready to be removed through regular cleaning
 - ✓ This is the most common construction for Nuway entrance mats

Nuway Tuftiguard anodised colours are available with the following wiper strips:

Classic – Buffed Grey

Design – Charcoal

Plain – Rubber

Below are examples of the different scraper bars with classic grey inserts:

Black anodised

Gold anodised

Sand anodised

Bronze anodised

PLEASE NOTE: Depending on your preference, Nuway Tuftiguard anodised colours is available with single or double wiper strip inserts. This can be specified when placing your order.

Open or closed construction:	Both
Inserts:	Classic buffed grey / Design options charcoal / Plain rubber
Suitable for:	Busy office, retail, healthcare or education environments

	Double Sided	Scraper bar options	Number of inserts available
			3

The sustainable primary barrier matting solution.

- Tuftiguard Bamboo provides **the same leading performance attributes as Tuftiguard**, with much more sustainable credentials
 - Tuftiguard Bamboo uses **moso high density bamboo** which outperforms the very best hardwood species, making it **the best natural solution in heavy traffic situations**
 - **Suitable for busy office, retail, healthcare or education environments**
- Moso bamboo is **the fastest growing plant in the world**
 - The Moso bamboo used is sourced from sustainably managed forests and plantations and is **FSC® certified**
 - **Tuftiguard Bamboo is available with the following choice of inserts:** 1 classic grey, 4 design colours and 1 plain rubber

Nuway tuftiguard bamboo

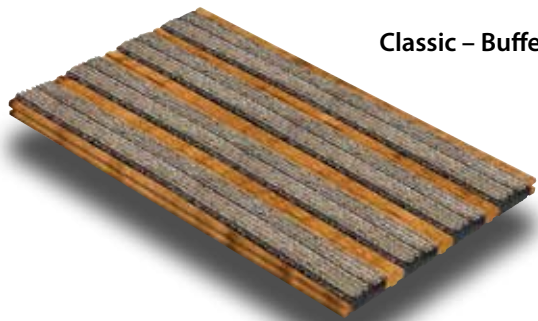

NUWAY TUFTIGUARD BAMBOO
IS ONLY AVAILABLE IN A CLOSED CONSTRUCTION:

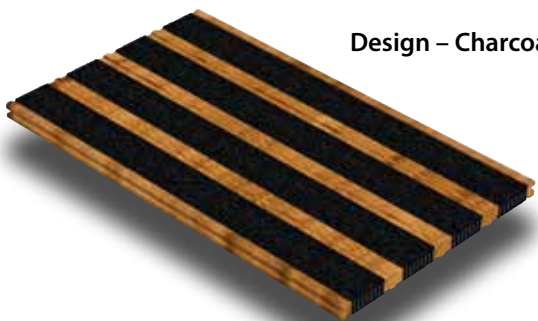

Closed construction:

- ✓ Ideal for internal applications
- ✓ Dirt and moisture will remain on the mat ready to be removed through regular cleaning
- ✓ This is the most common construction for Nuway entrance mats

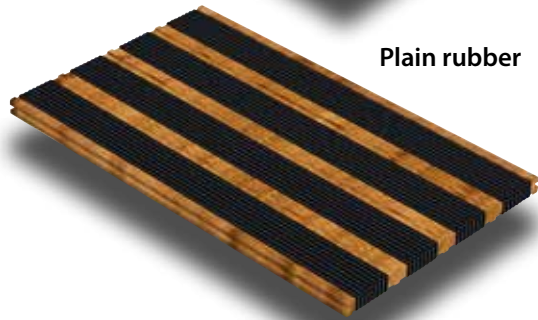

Nuway Tuftiguard Bamboo is available with the following inserts:

Classic – Buffed Grey

Design – Charcoal

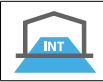

Plain rubber

PLEASE NOTE: Depending on your preference, Nuway Tuftiguard Bamboo is available with single or double wiper strip inserts. This can be specified when placing your order.

Nuway Tuftiguard Bamboo product specification

Depth:	12mm or 17mm
Open or closed construction:	Closed
Inserts:	Classic buffed grey / Design options charcoal / Plain rubber
Suitable for:	Busy office, retail, healthcare or education environments

	Double Sided	Scraper bar options	Number of inserts available
			3

The best protection against intense footfall and heavy duty loads.

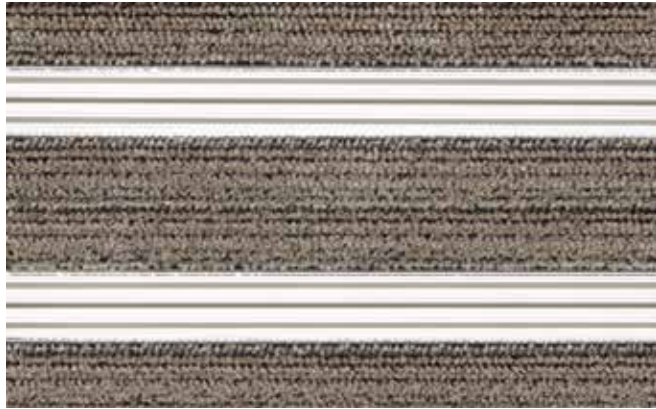

- The ideal matting solution for entrances with **heavy duty loads and intense pedestrian and/or wheeled traffic**
 - Patented aluminium scraper bar ensures it's the **strongest type of matting in the Nuway range**, and possibly in the UK
 - **Suitable for extremely high footfall and extreme load environments such as stadiums, airports or car showrooms**
- Tests have confirmed that **Tuftiguard HD can withstand static loads of up to 900kg/cm²** compared with the maximum load of 200kg/cm² for standard Tuftiguard mats
 - Aluminium scraper bars have **special ridges which effectively remove dirt** while also being smooth enough for wheeled traffic to move easily

CONSIDERATIONS

As with all aluminium matting systems of this type, in very brightly lit or illuminated areas, the strong contrast between light coloured aluminium scraper bars and dark wiper strips can sometimes create a strong visual contrast (and in extreme situations, a strobe effect) which should be prevented. To avoid disorientating pedestrians affected by this type of visual disturbance, consider using Bamboo or coloured anodised scraper bars with a less contrasting wiper strip.

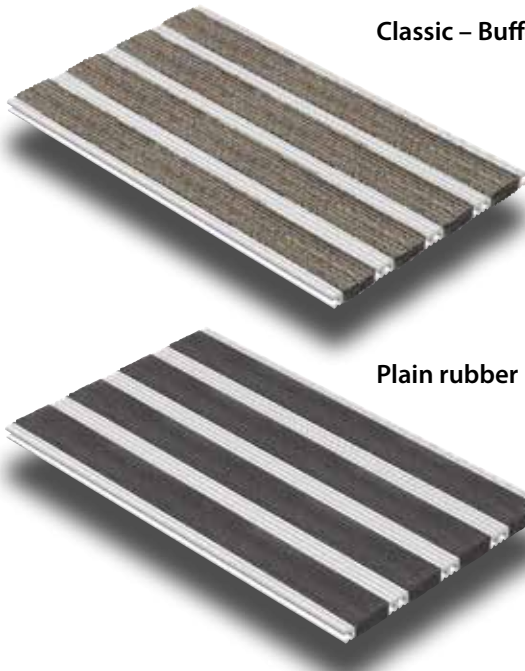

NUWAY TUFTIGUARD HEAVY DUTY
IS ONLY AVAILABLE IN A CLOSED CONSTRUCTION:

Closed construction:

- ✓ Ideal for internal applications
- ✓ Dirt and moisture will remain on the mat ready to be removed through regular cleaning
- ✓ This is the most common construction for Nuway entrance mats

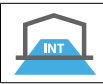

Nuway Tuftiguard Heavy Duty is available with the following inserts:

PLEASE NOTE: Nuway Tuftiguard Heavy Duty is only available with double wiper strip inserts.

Nuway Tuftiguard Heavy Duty product specification

Product name:	Nuway Tuftiguard Heavy Duty
Single or double sided:	Double sided
Guarantee:	10 years
Scraper bar:	Aluminium
Depth:	12mm or 17mm
Open or closed construction:	Closed
Inserts:	Classic buffed grey / Design options charcoal / Plain rubber
Suitable for:	Extremely high footfall and extreme load environments such as stadiums, airports or car showrooms

	Single Sided	Scraper bar options	Number of inserts available
			11

The contemporary alternative to Nuway Tuftiguard.

- Nuway Grid offers a **contemporary and cost effective alternative** to Nuway Tuftiguard
 - Nuway Grid is an ideal solution for **heavy traffic entrance areas** where aesthetics are also important
 - **Suitable for office, retail, healthcare and education environments or smaller entrances**
- Coral carrier sections can **allow colour co-ordinated entrance areas to** be created with primary and secondary entrance matting products
 - Inserts include strips of textile inserts (for internal use only) in **11 different colourways** drawn from the Coral Classic, Coral Brush and Burford ranges

CONSIDERATIONS

As with all aluminium matting systems of this type, in very brightly lit or illuminated areas, the strong contrast between light coloured aluminium scraper bars and dark wiper strips can sometimes create a strong visual contrast (and in extreme situations, a strobe effect) which should be prevented. To avoid disorientating pedestrians affected by this type of visual disturbance, consider using Bamboo or coloured anodised scraper bars with a less contrasting wiper strip.

Nuway Grid

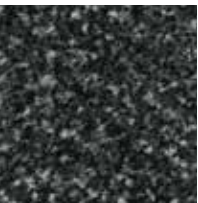

NUWAY GRID IS ONLY AVAILABLE IN A CLOSED CONSTRUCTION:

- Closed construction:**
- ✓ Ideal for internal applications
 - ✓ Dirt and moisture will remain on the mat ready to be removed through regular cleaning
 - ✓ This is the most common construction for Nuway entrance mats

Nuway Grid is available with the following wiper strip inserts:

Coral Classic:
The ultimate moisture absorber

4701 | anthracite

4730 | raven black

4763 | ruby red

4764 | taupe

4750 | warm black

4764 | taupe

Coral Brush: A good all-rounder
that keeps out dirt and moisture

5714 | shark grey

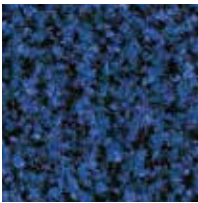

5721 | hurricane grey

5730 | vulcan black

5716 | masala brown

5722 | cornflower blue

5716 | masala brown

Ultragrip rubber: Offers improved underfoot comfort and moisture removal.

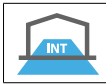

Burford textile: A commonly requested insert which offers reduced performance attributes compared to Coral/Ultragrip inserts.

PLEASE NOTE: Ultragrip rubber can be used both internally and externally, depending on customer preference however, all other inserts are intended for internal use only.

Nuway Grid product specification

Product name:	Nuway Grid / Nuway Grid Black Anodised
Single or double sided:	Single sided
Guarantee:	5 years
Scraper bar:	Low lustre aluminium / Black anodised aluminium
Depth:	12mm or 17mm
Open or closed construction:	Closed
Inserts:	Ultragrip rubber / Burford / 5 colours of Coral Classic / 5 colours of Coral Brush
Suitable for:	Office, retail, healthcare and education environments or smaller entrances

	Single Sided	Scrapper bar options	Number of inserts available
			7

A highly versatile, roll-up, single sided mat with multiple inserts available.

- Nuway Connect is a very versatile, roll-up, single sided entrance system that's **easy to shape on site** which makes it **ideal for smaller, more awkward sized entrances**
 - A choice of **5 Coral Classic** inserts allows colour co-ordination with matching Coral Classic used in the secondary matting zone
 - **Suitable for office, retail, healthcare and education environments or smaller/awkward entrances**
- For areas where increased **dirt and moisture retention** is required, Ultragrip rubber and Bristle inserts are also available
 - All three elements, Coral, bristles and Ultragrip rubber, **can be mixed and matched** to create the precise entrance system to meet your needs

NUWAY CONNECT IS AVAILABLE IN THE FOLLOWING CONSTRUCTIONS:

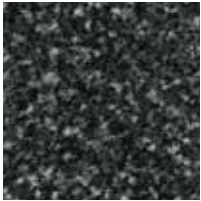

- Open construction:**
- ✓ Ideal for entrances which are susceptible to increased moisture
 - ✓ Dirt and moisture will fall through to the matwell below and the mat can be removed for cleaning of both the mat and matwell intermittently

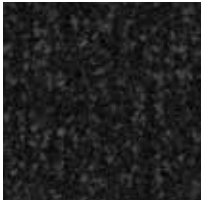

- Closed construction:**
- ✓ Ideal for internal applications
 - ✓ Dirt and moisture will remain on the mat ready to be removed through regular cleaning
 - ✓ This is the most common construction for Nuway entrance mats

Nuway Connect is available with the following wiper strip inserts:

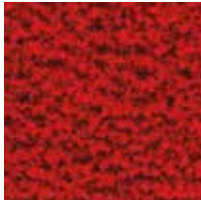

Coral Classic: The ultimate moisture absorber

4701 | anthracite

4730 | raven black

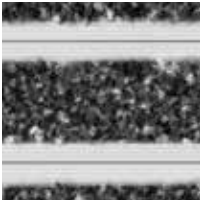

4763 | ruby red

4764 | taupe

4750 | warm black

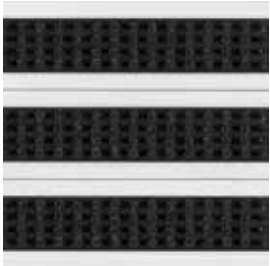

4701 | anthracite

Ultragrip rubber: Offers improved underfoot comfort and moisture removal

Bristle: For removal of coarse dirt

PLEASE NOTE: Ultragrip rubber and Bristle can be used both internally and externally, depending on customer preference however, Coral Classic inserts are intended for internal use only.

COMBINE MULTIPLE INSERTS TO SUIT YOUR NEEDS

Nuway Connect is the **only product within our Nuway collection** where you can **combine and alternate multiple inserts**.

For example, if an entrance was prone to both increased dirt and moisture, combining Ultragrip rubber and Bristle inserts would remove dirt and absorb moisture, whilst providing a enhanced underfoot comfort.

If you would like to combine multiple inserts in your Nuway Connect order, please specify this at the ordering stage.

Coral Classic

- For picking up moisture and fine dirt
- For interior use only (colours are shown above)

4-row bristle

- For removal of coarse dirt
- Can be used internally
- Suitable for exterior use when alternated with Ultragrip Rubber (see next stage)

Ultragrip rubber

- Ideal for multi-directional entrances
- Proven low slip risk
- Fire rating of B_{fl}s1
- For exterior and interior use

Nuway Connect product specification

Product name:	Nuway Connect
Single or double sided:	Single sided
Guarantee:	5 years
Scrapper bar:	Low lustre aluminium
Depth:	10mm / 17mm / 22mm
Open or closed construction:	Both (Open construction is rollable)
Inserts:	Ultragrip rubber / Bristle / 5 colours of Coral Classic
Suitable for:	Office, retail, healthcare and education environments or smaller/awkward entrances

NUWAY EXTERNAL PRIMARY BARRIER MATTING SOLUTIONS

Nuway Tuftiguard external

NUWAY EXTERNAL COLLECTION AT A GLANCE

nuway® tuftiguard external

Tuftiguard External combines a classic aesthetic with leading performance.

22

			2

A single sided, roll up mat with customisable inserts depending on entrance requirements.

- Nuway Connect is a very versatile rollup, single sided entrance system that's **easy to shape on site** which makes it **ideal for smaller, more awkward sized entrances**
- Available with the Ultragrip rubber and Bristle inserts which can be combined together if requested
- **Suitable for office, retail, healthcare and education environments or smaller/awkward entrances**
- Ultragrip rubber offers improved underfoot comfort and moisture removal due to its 'pocket' design. It also offers excellent fire rating properties
- Bristle inserts excel at removing coarse dirt and moisture and can be used with an open construction

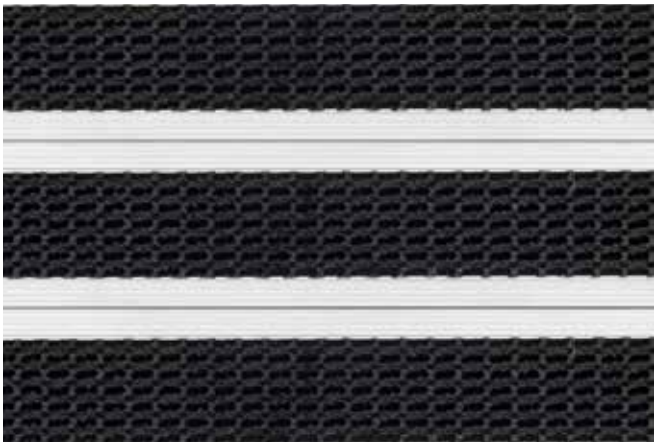

Nuway Connect External

THE BEST SELLING
NUWAY CONNECT EXTERNAL COMBINATIONS ARE:

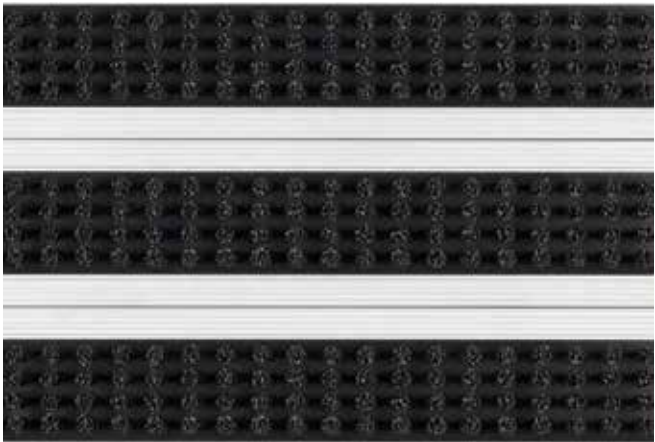

Nuway Connect External with Ultragrip rubber insert

- ✓ A traditional aesthetic which offers excellent underfoot comfort.

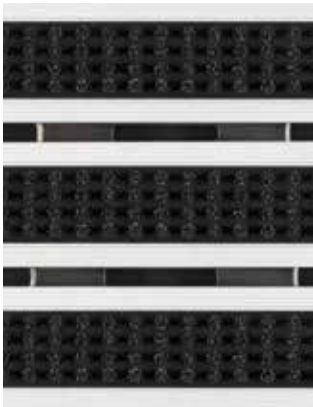

Nuway Connect External with Bristle insert

- ✓ For areas where enhanced dirt removal is required.

NUWAY CONNECT EXTERNAL IS AVAILABLE IN THE FOLLOWING CONSTRUCTIONS:

Open construction:

- ✓ Ideal for external entrances or areas which are susceptible to increased moisture
- ✓ Dirt and moisture will fall through to the matwell below and the mat can be removed for cleaning of both the mat and matwell intermittently

Closed construction:

- ✓ Dirt and moisture will remain on the mat ready to be removed through regular cleaning
- ✓ This is the most common construction for Nuway entrance mats

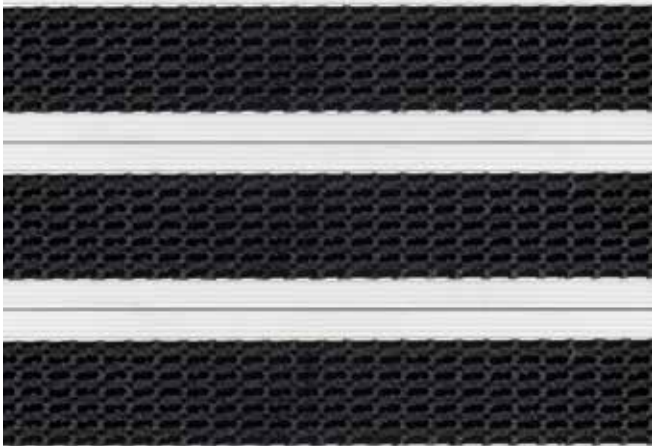

See the next page for customisation options and technical information

	Single Sided	Scraper bar options 	Number of inserts available 2
--	---------------------	---	---

Nuway Connect External is available with the following inserts:

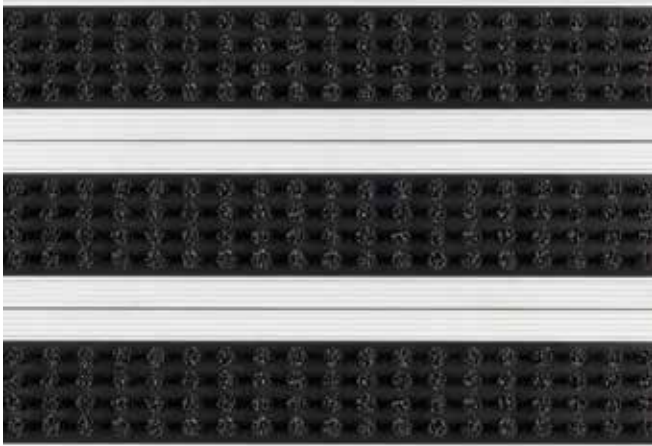

Ultragrip rubber:

- Ideal for multi directional entrances
- Proven low slip risk
- Fire rating of B_fs1
- For exterior and interior use

4-row Bristle:

- For removal of coarse dirt
- Most effective when combined with Ultragrip Rubber

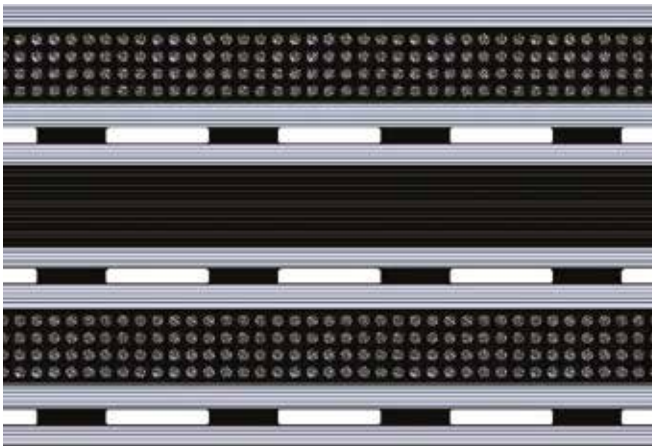

COMBINE MULTIPLE INSERTS TO SUIT YOUR NEEDS

Nuway Connect is the **only product within our Nuway collection** where you can **combine and alternate multiple inserts**.

For example, if an entrance was prone to both increased dirt and moisture, combining Ultragrip rubber and Bristle inserts would remove dirt and absorb moisture whilst providing a enhanced underfoot comfort.

If you would like to combine multiple inserts in your Nuway Connect order, please specify this at the ordering stage.
