

FLOORING SYSTEMS

ready to use neutral pH cleaner

DESCRIPTION

Ready to Use Neutral pH Cleaner is manufactured from environmentally responsible raw materials, and is specially formulated for cleaning Forbo flooring products. This product is non-toxic, low-VOC and readily biodegradable. When used as directed it will quickly penetrate and remove greasy deposits and soiling without affecting the Topshield factory floor finish.

DIRECTIONS

1. Remove loose dirt and grit by sweeping, dust mopping or, preferably, vacuuming the floor.
2. Simply spray solution on floor.
3. Pick up dirt and cleaner with a clean mop or cloth.
4. When mopping, rinse the mop frequently and change the solution as needed.

CAUTION. EYE IRRITANT. Contains synthetic detergents and water. Avoid contact with eyes.

FIRST AID: EYES: Immediately flush eyes with water for at least 15 minutes. If irritation persists, get medical attention.

INGESTION: Drink a glass of water and call a physician or poison control center. Do Not Induce Vomiting.

KEEP OUT OF REACH OF CHILDREN
