pinboard linoleum

BULLETIN BOARD

Pinboard linoleum, or BULLETIN BOARD, offers a practical, simple solution to collect and exchange thoughts and ideas whenever people plan, create and meet. Simply share your thoughts by pinning your idea onto the wall.

BULLETIN BOARD is an all natural material that can be applied in framed pin boards or directly onto the wall. Its surface is tactile and colourful, creating a decorative element in your space, in addition to being a practical aid in your day to day activity.

THE **ALL NATURAL** SOLUTION
TO HOLD YOUR THOUGHTS

NATURAL & DURABLE

BULLETIN BOARD is produced from natural and renewable raw materials.

A combination of oxidised linseed oil, rosin and finely ground cork gives the product its flexibility and resilience. This combination results in a product with exceptional durability.

Its strength and resilience make BULLETIN BOARD the ideal material for pin boards, notice boards and all other surfaces where ideas and information are exchanged. The board material retains its grip and doesn't crumble like traditional soft boards as the pinholes close after extraction of the pins due to the flexibility that characterises the material.

BULLETIN BOARD is made with 91% natural raw materials and contains 43% recycled content.

PRACTICAL & HYGIENIC

BULLETIN BOARD does not attract dust and has bacteriostatic properties.

This makes the product a practical solution in classrooms, for the ever changing exhibitions of children's drawings. But also a hygienic solution in healthcare environments where 'get well' messages can be pinned behind the bed.

COLOURFUL INTERIORS

BULLETIN BOARD is available in an exciting and intense range of 15 colours, that gives character and atmosphere to its environment.

The colours in the BULLETIN BOARD collection have been harmonised with Forbo's offer in Marmoleum floor coverings which in turn also makes them suitable for combinations with other materials such as wood, stone, aluminium or plaster, creating decorative as well as functional wall surfaces.

The BULLETIN BOARD collection offers a wide range of warm and cool neutral hues to blend into the environment, alongside 5 brighter accent colours that can be used for highlighting and zoning to draw attention to an area.

 122 cm | * also available in 183 cm

2162 | duck egg 2186 | blanded almond 2214 | blue berry 3363 | walton lilac

WALL SOLUTIONS

2186 | blanded almond 3363 | walton lilac

2182 | potato skin 3363 | walton lilac
