LEED® Beyond the Credits

Many manufacturers think that listing the LEED® credits that they contribute to, or in some cases "think" they contribute to is enough. On the surface, this can make many products look to be equally suited for these LEED® projects. That is not, necessarily the case when it comes to those LEED® credits that are financially based, such as Materials & Resource credits that involve Recycled Content such as Materials & Resource credits that involve Recycled Content and Rapidly Renewable Materials

The chart above offers a comparison of financial contribution for various materials based on an average project. The chart includes the approximate total. The chart above offers a comparison of materials only. Your contribution could be different depending on project specific variables.

Contractor “Letter of Authorization” – Instructions

Contractors, subcontractors, or dealers placing any orders under the Forbo GSA contract must also include a copy of a completed, signed contractor “Letter of Authorization” (LOA) along with their purchase order to Forbo (unless a copy of the LOA was previously furnished to Forbo). The LOA is “proof” that the contractor, subcontractor, or dealer has been authorized by the Government Agency they are working for, to purchase our products at the discounted GSA contract price, on their behalf.

The LOA must be completed and signed by the Government Agency’s Contracting Officer assigned to the project for which materials are to be purchased.

Forbo cannot ship a contractor, subcontractor, or dealer order - at GSA Schedule Pricing - without the LOA.

If the order is received without the LOA, the GSA Administrator will provide the LOA template to the dealer with the following explanation:

Dear Dealer XYZ:

This notification is in reference to PO # _____ whereby you are requesting GSA Schedule Pricing.

Forbo can only extend GSA Schedule Pricing with a “Letter of Authorization” (LOA) signed by the Government Agency’s Contracting Officer assigned to the project for which these materials are being purchased. The LOA authorizes you to purchase on the Government Agency’s behalf at their discounted pricing.

The LOA template is attached. Please complete and return at your soonest convenience by email to orders.us@forbo.com or fax: (570) 450-0258, Attn: GSA Administrator. Please note we cannot ship your order with GSA Schedule Pricing without the LOA!

If you have any questions or need any assistance, please contact the undersigned at your convenience.

Sincerely,
GSA Administrator

Contractor “Letter of Authorization”

[Insert Date]

[Insert Company Name]

[Insert Attention: POC]

[Insert Address]

Subject: Authorization to Utilize GSA Multiple Award Schedule contracts

Reference: [Insert Contractor Name & Task Order Number]

[Insert Company Name] is hereby authorized to place orders under the GSA Multiple Award Schedule program as an alternative source in procuring equipment and supplies for services for the exclusive use and ownership of the Government. This authority applies to the above referenced Task Order. Such authority may be exercised at any time prior to the Order completion date of [Insert Contract Completion Date].

You are responsible for compliance with the applicable acquisition policies and procedures prescribed in FAR 51.1, particularly FAR 51.103, regarding purchasing from GSA Multiple Award Schedule contracts. Please reference this letter and the contract number on any delivery orders issued subject to this authority. The following statement shall be included on your Schedule Purchase Order:

This Order is authorized by [Insert OCO's Organization], per letter dated [Insert Date]. In the event of any inconsistency between the terms and conditions of this Order and those of the Multiple Award Schedule contract, the latter will govern.
