FLOORING SYSTEMS

State of the art manufacturing

We've made a massive investment in a brand new, state-of-the-art production facility in Coevorden, Holland, our European centre of expertise for vinyl flooring production. This has enabled us to manufacture a premium homogeneous vinyl sheet that offers not only the freshest, cleanest palette ever seen in this product category but one that also benefits from SMART technology which delivers best in class performance.

Sphera element 50046 | teal

Sustainable

Modern

Advanced

Robust

Technology

Forbo's homogeneous flooring technology

Uniquely
embossed surface
for optimal
performance

SMART-top

Resists stains
and scratches

High LRV values
and bright,
saturated hues

Low emitting
and 100%
phthalate free

Produced in a zero waste environment

TECHNOLOGY SUSTAINABILITY

- State of the art steel-belt press and thermofix technology ensures consistent quality
- Green energy and zero waste technology ensures efficient and sustainable manufacturing
- Low emissions & phthalate free manufacturing ensures Sphera can contribute to a healthy indoor environment

PERFORMANCE DURABILITY

- SMART-top surface finish ensures Sphera has a high resistance to chemicals, scratches and stains
- In-line coating and subsequent embossing process for superior appearance and durability
- Achieves highest abrasion wear rating group T tested to EN660-2

Sphera element 50051 | butter + 50053 | sun

Protect Sphera Element with our NEW Coral Entrance Flooring range

- Coral can stop up to 95% of dirt and moisture entering a building
- This means that cleaning time is reduced by up to 65%
- Coral Brush and Classic are now available in 50 x 50cm tiles as well as the usual sheet option for increased flexibility

sphera[®] element A new era in homogeneous vinyl

creating better environments

Design. Technology. Performance

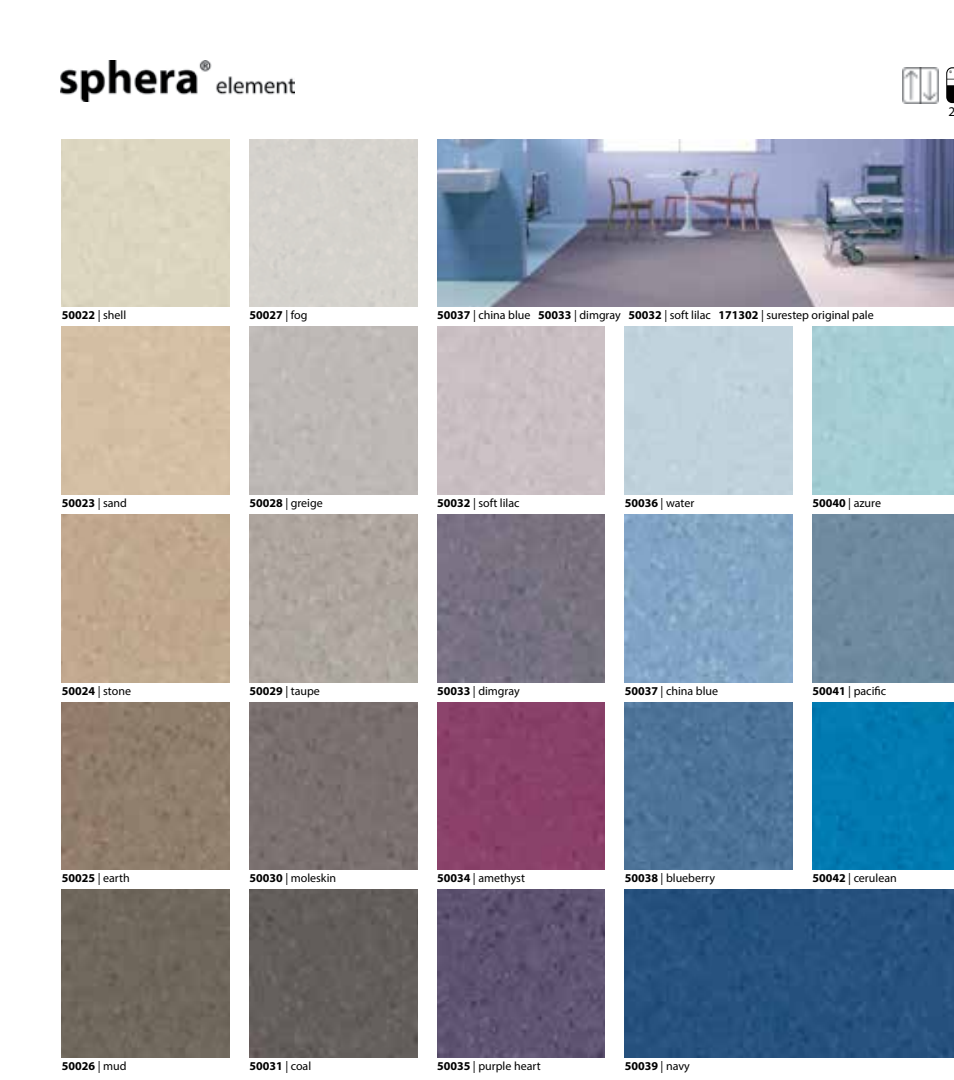

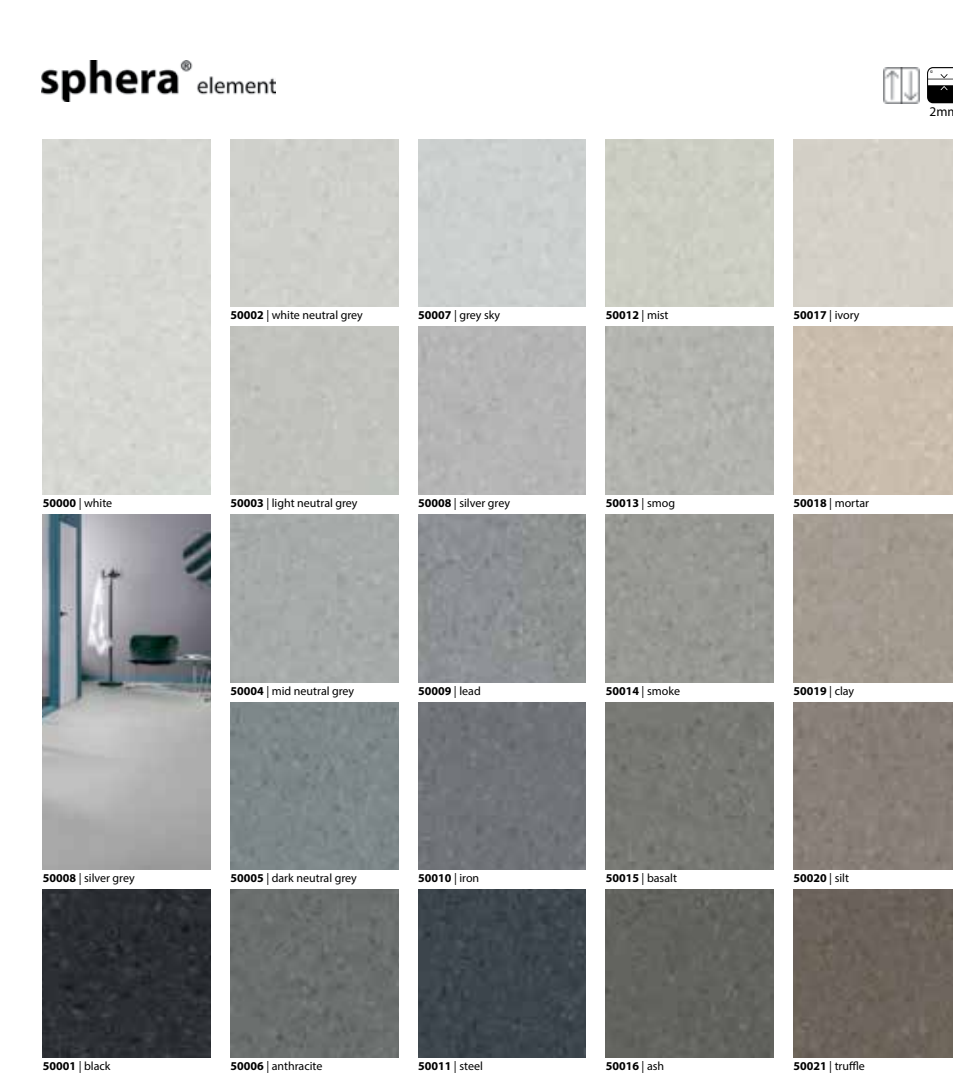

At Forbo, we aim to be the global leader in commercial floor coverings and that means competing in all the key product sectors. This autumn, we're entering the homogeneous vinyl sheet sector for the very first time, and we want you to be amongst the first to see our début collection... Sphera Element.

Sphera element **50018** | mortar + **50025** | earth

Unique colour palette

- Harmonious range of 62 contemporary colours
- Excellent balance of dark and light shades, many with high light reflection values
- Warm and cool naturals to complement wood and stone
- Calming pastels for understated backgrounds
- Bolder, more saturated hues, for way-finding, zoning and accent colour

Sphera element **50008** | silver grey + **50044** | turquoise

More Forbo Flooring

Why deal with multiple suppliers when you can deal with one? Forbo Flooring Systems is a global producer of commercial flooring solutions. Our flooring solutions offer includes:

- Environmentally friendly, functional and design-oriented linoleum.
- An extensive range of sheet project vinyl, acoustic vinyl and safety vinyl.
- High performing static control flooring for areas with sensitive electronic equipment.
- High quality European manufactured Luxury Vinyl Tiles.
- Carpet tiles for both public and commercial environments.
- Flocked sheet and tiles for areas that need the benefits of both textile and resilient floor coverings.
- Cushioned vinyl for the home environment in a wide range of designs.
- Entrance flooring systems that keep interior floors clean, dry and safe.

Please visit our website www.forbo-flooring.co.uk to see our extensive range of flooring products.

To order a Sphera Element sample book or samples, please ring 0800 731 2369 or email samples.uk@forbo.com
