The designs in Flotex Vision FR fall into six broad categories, each of which represents a different design direction: Floral, Lines, Shape, Pattern, Image and Naturals.

Lines

Line or stripe designs, each with their own characteristics, ranging from muted and sophisticated colourways to very complex and multi-colour patterns.

Pattern

Textured, non-directional visuals created through the intricate interplay of networks and patterns.

Floral

A selection of floral designs, ranging from abstract, graphic flower motifs to romantic images of roses and butterflies.

Shape

A collection of organic shapes and motifs delivering beautiful all-over patterns, including both contemporary and traditional designs.

Naturals

This collection offers photorealistic images of natural materials such as wood, stone, ceramics and cork floors. The design technology creates amazingly realistic aesthetics, with the added benefits of improved acoustics, slip resistance and reduced maintenance costs.
