

## PRESS RELEASE

---

### **Forbo Flooring Systems presenting Furniture linoleum and new surfacing material experiments at Interzum Cologne, Germany (May 21-24, 2019)**

#### **Beautiful, all natural, sustainable, CO2 neutral, classic, modern and experimental furniture surface coverings from Forbo to be shared with you in hall 10.2, booth C079**

At Interzum in Cologne Forbo Flooring Systems will be presenting its renowned Furniture and Wall coverings collections. The Furniture and Bulletin board collections present a unique assortment of surfacing materials for all high end 3D furniture designs such as desks, chairs, stools cabinets door and displays or – in the case of Bulletin Board - is to be used as pinboard linoleum for panel and wall applications.

The booth is designed to experience the combinations that can be made between Forbo's Bulletin Board and Furniture Linoleum and other materials such as various wood species and metal. In addition the way in which clever applications and edge solutions can be created is part of the presentation.

At Interzum Forbo also shares a number of new experimental finishes it is currently working on. These product concepts are aimed to become part of the collection in future years and can already be experienced at Interzum.

Both Furniture Linoleum and Bulletin Board are made from natural raw materials such as making it a unique sustainable solution for high end finishes. The materials have a warm and tactile character. The satin mat surface of the Furniture Linoleum in combination with a warm fine texture creates interior finishes that are truly distinctive with a genuine individual look and feel that really is unlike any other surface material available

Come and visit our see our presentation of exclusive and unique finishing materials at Interzum in hall 10.2 booth C079. Opening hours are from 09.00 a.m. until 18.00 p.m. daily, from May 21-24.
