

# CREATING BETTER ENVIRONMENTS

**marmoleum®**  
is made from an average of **97%** natural materials

**Save a Sample** and reduce the amount of virgin material used

**coral® welcome** primary backing is made from recycled pop bottles

**UP TO 65%** reduction in cleaning costs when **coral®** is installed

**marmoleum®** and **flotex®** are approved by Allergy UK

reduces scuffing so less cleaning

All **tessera®** tiles are produced using **renewable energy** (electricity and biogas)

**UP TO 49%** recycled content in **flotex®** tiles and planks

**marmoleum®**  
The weighted average of our Marmoleum product range is **CO<sub>2</sub> neutral (cradle to gate) – without offsetting**

**>57%** recycled content in all **tessera® tufted carpet tiles** made in the UK

**ECONYL®** yarn made from abandoned fishing nets

**UP TO 70%** recycled content in the backing of our **vinyl** ranges

**43%** reused & recycled content in **marmoleum®**

**100%** of aluminium and steel waste from our **nuway®** production is recycled

Ultrasonic cutting of **allura** reduces waste by **80%**

**PHthalate FREE**

All our UK plants are **certified to SA8000® ISO 45001**

All our plants are **certified to ISO 9001 ISO 14001**

All Forbo products sold and made in the UK are produced with **100% electricity from renewable sources**

We were the first flooring manufacturer in UK to achieve **BES 6002 The Ethical Labour Sourcing Standard**

All Forbo vinyl ranges are **phthalate free**

**100%** of our packaging is recyclable

Our innovative random-lay carpet tiles **reduce fitting waste to less than 2%**

**marmoleum®** is biodegradable in a controlled environment

**flotex®** releases twice as many allergens on cleaning than standard carpet

**FAST FIT**  
*Rapid, reusable flooring*  
Our vinyl Fast Fit ranges are adhesive free so can be recycled

**nuway® tuftguard** mats are reversible, effectively doubling their life

**BACK TO THE FLOOR RECYCLING PROGRAM**  
Reduces the environmental impact of an installation by **preventing waste from going to landfill**

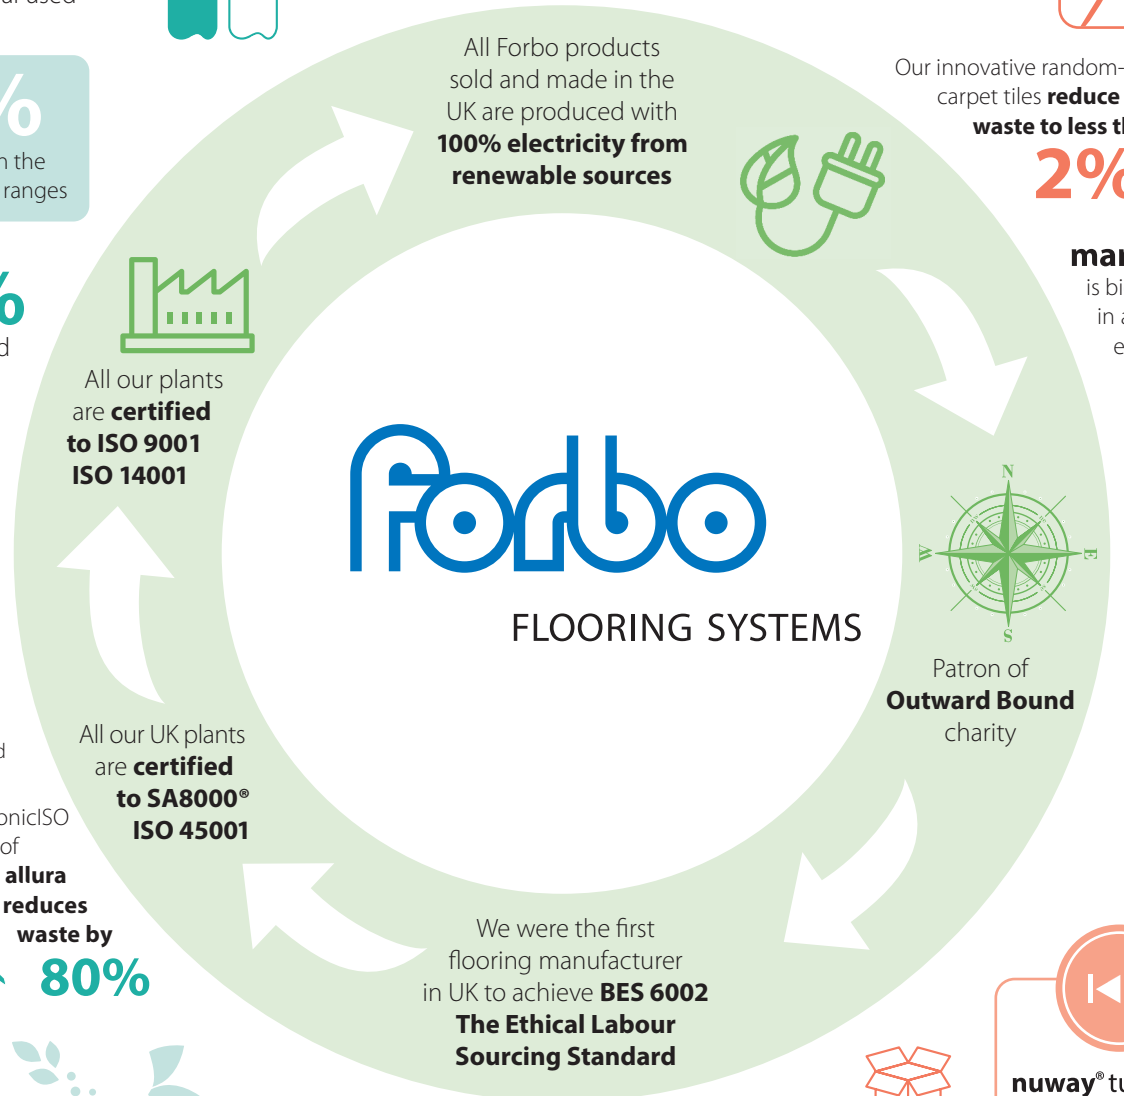

**marmoleum®** inhibits the growth of MRSA, C Difficile and other bacteria

**95%** of dirt and moisture can be kept outside the building with **coral®**

We work with Recycling companies to **clean, reuse and recycle old carpet tiles in the UK**

Patron of **Outward Bound** charity
