

Product Specifications Eternal

Compact heterogeneous PVC floor covering, in 2 m rolls

Supply and installation of a 2 mm compact heterogeneous PVC floor covering, in 2 m rolls, classified 43, such as ETERNAL.

According to standard NF EN 433, its average residual indentation shall be 0.03 mm.

It shall have a classified footwear slip resistance of R10 on wet floor with soapy water.

It shall have a transparent compact wear layer, group T abrasion resistance, a calendared backing made from 50% recycled material and a glass mat reinforcement ensuring high dimensional stability and excellent stability.

The covering shall have PUR Pearl™ surface treatment, which shall give it remarkable stain resistance, facilitate maintenance and avoid the application of metal coating or maintenance by spray method during the product's entire service life.

It shall enjoy a 7-year warranty, which can be further extended up to another 6 years (depending on the installation conditions of the manufacturer's Coral or Nuway entrance mats).
