

Safety Data Sheet

In accordance with EC Directive 1907/2006/EC

Revision No. 5

Revision date: 02-08-2021

Page 1/3

1. Identification of the product and company

Trade name	: Flotex sheet; Flotex Modular: AcousticPlus; Edge
Application of the product	: Floor covering
Manufacturer/supplier	: Forbo Flooring UK Ltd High Holborn Road Ripley Derbyshire DE5 3NT, United Kingdom Tel: +44 1773 744121

2. Hazards identification

Hazard description	: No particular hazard for persons and the environment known
---------------------------	--

3. Composition/information on ingredients

Description	: Textile floor coverings with a polyamide top layer, a glass fibre reinforcement layer and a backing produced from a mixture of polyvinyl chloride resins, plasticizers, stabilizer additives and inert inorganic fillers. Where appropriate, laminated on a needlefelt bonded polyester acoustic layer.
Hazardous ingredients	: None

4. First-aid measures

After inhalation	: Not applicable
After skin contact	: Not applicable
After eye contact	: Not applicable
After swallowing	: Not applicable

5. Fire-fighting measures

Suitable extinguishing media	: Water, foam, carbon dioxide, dry powder
Special hazards from the product itself, its products of combustion or resulting gases	: Hazardous combustion product: Carbon monoxide and hydrogen chloride
Protective equipment	: Use self-contained breathing apparatus

6. Accidental release measures

Person-related safety precautions	: Not applicable
--	------------------

Safety Data Sheet

In accordance with EC Directive 1907/2006/EC

Revision No. 5

Revision date: 02-08-2021

Page 2/3

Measures for environmental protection	: Not applicable
Measures for cleaning/collecting	: Not applicable

7. Handling and storage

Information for safe handling	: No specific measure required
Information about storage	: Store in dry conditions. It is recommended that rolls are stored in the vertical position and restrained in position using safety chains or straps.

8. Exposure controls/personal protection

Ingredients with occupational exposure limits to be monitored	: Not applicable
General protective and hygienic measures	: No specific measures required
Respiratory protection	: Not applicable
Hand protection	: Not applicable
Eye protection	: Not applicable
Skin protection	: Not applicable

9. Physical and chemical properties

Physical state	: Textile floor covering
Form	: Sheet, tile or plank
Colour	: Various colours and patterns
Odour	: Low odour
Melting point	: Polyamide and polyester melts at approx. 250°C and the softening point of PVC is approx. 80°C
Flash point	: Not applicable
Danger of explosion	: Not applicable
Density	: Sheet approx. 422 kg/m ³ ; Modular approx. 1019 kg/m ³ ; AcousticPlus approx. 440 kg/m ³ ; Edge approx. 570 kg/m ³
Solubility	: Insoluble in water or conventional solvents

10. Stability and reactivity

Thermal decomposition	: Function of the exposure time; for instance 200 ⁰ C after 2 minutes
Hazardous reactions	: No hazardous reactions

Safety Data Sheet

In accordance with EC Directive 1907/2006/EC

Revision No. 5

Revision date: 02-08-2021

Page 3/3

Dangerous decomposition products	: Hydrochloride
---	-----------------

11. Toxicological information	
General information	: No harmful effects have been reported to date

12. Ecological information	
Information about elimination	: Product is not biodegradable.
Other information	: No harm to the environment. Insoluble in water. Not expected to bio-accumulate.

13. Disposal considerations	
Product	: Material should be recovered for recycling if possible. Incineration in permitted facilities with energy recovery is the preferred disposal method. Land filling in a permitted facility is an alternative. All applicable local and national legislation should be consulted before disposal.
Packaging	: Packaging should be subjected to waste management schemes (recovery recycling) in accordance local and national legislation

14. Transport information	
ADR	: Not restricted
ADNR	: Not restricted
RID	: Not restricted
IATA	: Not restricted
IMDG	: Not restricted

15. Regulatory information	
Labelling in accordance with EC-directives	: The product does not require a hazard warning label in accordance with EC directives or relevant national laws

16. Other information	
Department issuing MSDS	: Operations department
Contact	: Katie Ementon

The information in this Safety Data Sheet is based upon the present knowledge and experience.
The actual facts do not give any information about the qualities and properties of the product.
