 Unit Size ----- 1 gallon (3.785 L)
 Dilution ----- Do NOT Dilute
 Spread Rate ----- Varies
 Shelf Life ----- 2 years in unopened container
 Storage ----- Keep from Freezing
 Disposal ----- Follow all local regulations

2. APPLICATION RECOMMENDATIONS

Forbo Ready to Use Residential Floor Finish Remover should be used directly from the bottle, undiluted.

VERY IMPORTANT!! Once Forbo's Residential Floor Finish has been applied to the floor, it must be removed before applying any new finish to the floor.

Remove all dry, loose surface soil by sweeping, vacuuming or dust mopping the floor. Work in small areas. It's suggested to do a 3' x 3' area at a time.

NOTE: Depending on the accessibility to the working area, it is suggested to work in areas smaller than 3' x 3' to avoid walking on the floor during the next several steps, as the floor will be slippery when it's wet.

Apply Forbo's Ready to Use Residential Floor Finish Remover on the floor. This is a pre-mixed product and can be applied to the floor right out of the bottle. Using a sponge mop, spread the finish remover generously over the area. Be careful NOT to flood the floor. Allow the Forbo Ready to Use Residential Floor Finish Remover to sit on the floor for 3 – 5 minutes.

Use a non-abrasive scrubbing sponge, pad or a soft bristled brush to agitate the floor. Use a clean cloth or mop to remove the finish and solution from the floor. Rinse the cloth or mop frequently.

Wipe or damp mop the floor with clean, unheated tap water. Allow the floor to dry completely. Repeat these steps until the floor finish has been removed from the entire floor.

With a clean mop, rinse the entire floor again with clean, unheated tap water. Dry the floor with a clean, dry mop or towel. Keep foot traffic and pets off the floor so it remains clean. Allow an additional 10 – 15 minutes to ensure the floor is completely dry. Keep foot traffic and pets off the floor during this process.

If desired, 2 – 3 new coats of Forbo's Ready to Use Residential Floor Finish can be applied to the floor at this time.

3. ADDITIONAL INFORMATION

See Forbo's Floor Care Guidelines specifically created for each Forbo product for more detailed recommendations when using Forbo Ready to Use Residential Floor Finish Remover.
