## HELPING TO KEEP PEOPLE SAFE

At Forbo Flooring Systems we recognise the concerns and complexities that now exist as a result of the COVID-19 pandemic which have become part of everyone's daily life.

Some measures, such as 'social distancing' look like they will be here for a while. So our Coral Logo team have developed a range of entrance mats that we hope will help keep people safe by practising social distancing and preventing slips.

Choose 3 mats of the same design or 1 of 3 different designs, the choice is yours.
