

## Ten top reasons to choose Flotex flooring for your facility:

1. **Durable** – resists crushing and matting due to 70 million upright nylon 6.6 fibers per M2.
2. **Easy to clean** – dense, upright fibers allow dirt to be easily removed by vacuuming, with no loops or twists to trap dirt.
3. **Soil and stain resistant** – most stains and spills can easily be removed, including permanent marker.
4. **Slip resistant wet and dry** – provides safety and minimizes liability from slips and falls.
5. **Hygienic** – Flotex is a supplement to, and not a substitute for, standard infection control practices, and has been shown to reduce microbial contamination based on Independent Laboratory Testing.
6. **Closed cell cushion backing** – comfortable and quiet underfoot. 100% waterproof.
7. **Acoustics** – Sound Absorption (**20dB**) and Impact Sound Transmission (flooring/ceiling) of **IIC 59** for tile and **IIC 57** for sheet.
8. **Eliminates odors** Does not allow moisture to penetrate and fester between the primary and secondary backings as can be the case with traditional carpet.
9. **Improved indoor air quality** – dirt and allergens are easily removed by vacuuming. Flotex is the only textile flooring material awarded the British Allergy Foundation's Seal of Approval. Does not contain harmful VOC's.
10. **Design** – warm, stylish aesthetics available in sheet and tile. Flexibility to create custom designs.

## product application chart

All items marked below are the preferred products to be used for each application type. If there is any question on suitability, please contact Forbo prior to installation.

area of application	marmoleum® & MCS	marmoleum® modular	eternal sheet vinyl	flotex® sheet / flotex® tile	coral® / nuway®
<b>healthcare / hospitality</b>					
cafeteria / dining	x	x	x	x	
corridors	x	x	x	x	
desks / cupboards / furniture systems	x				
elevators / lobbies	x	x	x	x	
entrances					x
er / trauma	x		x		
exam / procedure room	x	x	x		
laboratories	x	x	x		
nurses station	x	x	x		
office / administrative	x	x	x	x	
operating / procedure room	x		x		
patient room / physical therapy room	x	x	x	x	
pharmacy	x	x	x	x	
ramps (indoor)				x**	
ramps (outdoor)					x*
specialty shops/ boutiques	x	x	x	x	
surgery / scrub area	x		x		
utility room / service area			x		
waiting areas	x	x	x	x	

\*Coral Grip is the only product recommended for outdoor ramps. All other Coral products are intended for indoor use. Nuway is only recommend for outdoor ramps when unbuffered wipers are being used.  
\*\* Flotex sheet recommended.
