

MCS topshield™ PRO

marmoleum® composition sheet
certified sustainable sheet

- Nettoyez et partez - aucun entretien initial n'est nécessaire grâce à la finition d'usine renouvelable Topshield pro, prête à l'emploi, qui offre un faible coût de propriété et une durée de vie de 30 ans.
- Le sol naturellement sain réduit le risque de moisissure et est naturellement exempt de PVC, de phtalates et de styrène.

contribue à l'obtention de crédits LEED
